

Communication and Relational maintenance

According to Stafford and Canary, showing positiveness involves **expressing the favorable attitudes that communicators have of one another.**

Communicating a positive attitude is essential to maintaining positive relationships. This has been found in familial, and other interpersonal relationships.

Communication And Relational Maintenance

Jennifer Diane Charpentier

Communication And Relational Maintenance:

Communication and Relational Maintenance Daniel J. Canary, Laura Stafford, 1994-01 This book addresses the questions How do people maintain their personal relationships The authors discuss the everyday processes used to maintain an on going relationship It discusses interpersonal communication social psychological factors relevant to maintenance and the resolution of conflict *Maintaining Relationships Through Communication* Daniel J. Canary, Marianne Dainton, 2003-01-30 Relational maintenance provides a rallying point for those seeking to discover the behaviors that individuals utilize to sustain their personal relationships Theoretical models research programs and specific studies have examined how people in a variety of close relationships choose to define and maintain those relationships In addition relational maintenance turns our attention to communicative processes that help people sustain their close relationships In this collection editors Daniel J Canary and Marianne Dainton focus on the communicative processes critical to the maintenance and enhancement of personal relationships The volume considers variations in maintaining different types of personal relationships structural constraints on relationship maintenance and cultural variations in relational maintenance Contributions to the volume cover a broad range of relational types including romantic relationships family relationships long distance relationships workplace relationships and Gay and Lesbian relationships among others *Maintaining Relationships Through Communication Relational Contextual and Cultural Variations* synthesizes current research in relationship maintenance emphasizes the ways that behaviors vary in their maintenance functions across relational contexts discusses alternative explanations for maintaining relationships and presents avenues for future research As such it is intended for students and scholars studying interpersonal communication and personal relationships *Communication and Relationship Maintenance* Marianne Dainton, Scott A Myers, 2019-05-30 *Communication and Relationship Maintenance* provides readers with a comprehensive dynamic examination of relationship maintenance across a variety of relational contexts Informed by contemporary research and literature in communication psychology and sociology this text introduces the study of relationship maintenance highlights current issues and debates and provides insight as to the future of the discipline Each chapter focuses on a particular relationship type and emphasizes a concept that influences its maintenance For each relationship authors Marianne Dainton and Scott A Myers explore critical theories used to understand the maintenance process for the relationship and illuminate its unique features the maintenance behaviors typically applied in the relationship and the significant influences on the use of maintenance activities for that particular type Relational contexts covered include opposite sex romantic relationships same sex romantic relationships friendships family relationships and workplace relationships Additional chapters examine cultural variations on the maintenance process the role of mediated communication on relationship maintenance and the future of scholarly study within the discipline *Communication and Relationship Maintenance* is well suited for advanced undergraduate and graduate and courses in relational and

Military Marital Relationships on Facebook Colleen Elizabeth Dungey, 2013

Abstract Despite the originality that long distance relationships hold within the field of communication military martial relationships MMRs are one type of long distance relationship that remains to be thoroughly studied The dedication that active duty members contribute to their country is often a hardship for martial relationships when faced with temporary separation With advances in technology and the rise of social networking sites such as Facebook individuals have the availability to communicate regardless of distance When faced with separation individuals in MMRs encounter the difficulties of communicating to maintain their relationship Facebook offers a unique medium to practice relational maintenance through the creation of profile pages that individuals in MMRs construct During the time separation Facebook gives individuals the ability to use this social networking site as a medium of communication to practice relational maintenance This study sought to explore how social networking sites are not just to communicate but provide stability for relational satisfaction and well being for individuals in MMRs This study provides a preliminary look at how spouses use Facebook as a means of relational maintenance to ultimately experience relational satisfaction and overall well being while their partner is temporarily away

Relational Maintenance Behaviors and Communication Channel Use Among Adult Twins Erin Marie Ellis, 2014

The purpose of this study is to determine if certain relationship types among twins affect the specific relational maintenance behaviors and communication channels used between them A nonexperimental research design was used for this study in the form of a survey The sample size for this study was 108 individuals whose ages ranged from 21 to 70 years Results revealed that the type of relationship between adult twin siblings influences the relational maintenance behaviors used Intimate adult twin siblings used more relational maintenance behaviors than adult twin siblings with congenial and loyal relationships Results also revealed that intimate adult twin siblings used the communication channels of face to face telephone and text messaging at a higher rate than the congenial and loyal relationship types These findings were similar to previous research and suggest that the adult twin sibling relationship may not be as unique as otherwise thought Future research should consider examining the effects the environment may have on the twin sibling relationship
