Communion With The Friends Of God:

Friends of God and Prophets Elizabeth A. Johnson, 1998 In *Friends of God and Prophets* Elizabeth Johnson provides a theology of the communion of saints utilizing ironically women's practices of memory ironically because the official list of saints is largely dominated by men and women's history of holiness has been neither remembered nor truthfully told In the first part of the book Johnson dialogues with history gleanig clues from the past for an understanding of the communion of saints that is both faithful to tradition and promising of liberation In the second she offers a systematic interpretation of the symbol connecting insights from history with insights arising from women's practices today linking both with radical hope in God Communion with the Friends of God Jane McAvoy, 2001 Ideal for use at the communion table or for personal
