Communist Terror In Romania:

Communist Terror in Romania Dennis Deletant, 1999 This book will offer students of Communism in Eastern Europe a further comparative angle for their research and Romanians themselves an authoritative study of a past which is still largely hidden from them **BOOK JACKET**

Modern Romania Tom Gallagher, 2008-03 Since the 1989 fall of Communism in Eastern Europe Romania arguably the most regimented of states in the Soviet bloc has struggled with the transition from totalitarian state to democratic nation In this insightful examination of modern Romania Tom Gallagher provides an overview of Romania's unique political and social history focusing on both its national identity as well as the legacy of Soviet rule Gallagher provides an in depth look at Romania since 1989 focusing on the government's attempts at economic reform engagement with democracy problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism Ultimately Gallagher argues that thus far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken Romania under Communism

Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry *Most-Favored-Nation Trading Status for the Socialist Republic of Romania, the Hungarian People's Republic, and the People's Republic of China* United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade, 1987

In Search of Romania Dennis Deletant, 2022-04-28 The imposition of Communist ideology was a misfortune for millions in Eastern Europe but never for Dennis Deletant Instead it drew him to Romania The renowned historian's association with the country and its people dates back to 1965 when he first visited Since then Romania has made Dennis appreciate the value of shrewd dissimulation in the face of the state's gross intrusion in the life of the individual This vivid memoir charts his first hand experience of the Communist era coloured by the early 1970s surveillance of his future wife Andrea his contacts with dissidents and his articles and BBC World Service broadcasts which led to his being declared persona non grata in 1988 In Search of Romania also considers how life went on under dictatorship even if it was largely mapped out by the regime How did individual citizens negotiate the challenges placed in their path How important was the political police the Securitate in maintaining compliance How did dissent towards the regime manifest How did all this affect the moral compass of the individual Why did utopia descend into dystopia under Ceau escu And how has his legacy influenced the difficult transition to democracy since the

collapse of Communism Continuing Most-favored-nation Tariff Treatment of Imports from Romania United States. Congress. Senate. Committee on Finance.
