In Their Own Words Terry Turchie, Donagh Bracken, 2020-01-27 In Their Own Words answers an important question on the minds of many Americans what is happening inside Americas Democratic Party today During the 1980s before the collapse of the Soviet Socialist Republics prominent Democratic leaders Bernie Sanders and Bill De Blasio were ardent supporters of Marxist Daniel Ortega and his Nicaraguan revolution Ortega was the man of the people intent on forming a socialist government of equality in the Central American country Today Ortega crushes dissent from the people he liberated joining Nicolas Maduro of Venezuela as just another elected dictator who has destroyed his country through the implementation of socialism But who from the media is questioning the horrendous judgment of Sanders and De Blasio back then as they actually push the same policies for America now In Their Own Words shines the light on the insidious nature of socialism as the transformative step towards communist utopia The problem is the utopia part never happens This book explains why R Jean Gray Special Agent in Charge Soviet Counterintelligence FBI New York Retired
