## Community And The Christian Life:

**From Isolation to Community** Myles Werntz, 2022-04-12 It is no secret that isolation is one of the key ailments of our age But less explored is the way the church as it is frequently practiced contributes to this isolation instead of offering an alternative With the help of Dietrich Bonhoeffer this book argues for a renewed vision of the church community as a theological therapy to cultural moral and sociological isolation It offers an account of how familiar church practices such as Scripture reading worship prayer and eating contribute to community formation in the body of Christ Christian Life in the Community Alexander John William Myers, 1919 The Gospels and Christian Life in History and Practice Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009-06-15 The Gospels And Christian Life reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has an imaginative portal an introductory chapter introducing the necessary background for understanding the social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community's practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament **Bible and Ethics in the Christian Life** Bruce C. Birch, 1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority Uses of Scripture in Christian ethics *Compassion, Justice, and the Christian Life* Robert D. Lupton, 2007-04-20 The urban landscape is changing and as a result urban ministries are at a crossroads If the Church is to be an effective agent of compassion and justice Robert Lupton notes we must change our mission strategies In this compelling book Lupton asks the tough questions about service providing and community building to help ministries enhance their effectiveness What are the dilemmas that caring people encounter to faithfully carry out the teachings of Scripture and become personally involved with the least of these What are some possible alternatives to the ways we have traditionally attempted to care for the poor How do people programs and neighborhoods move towards reciprocal interdependent relationships To effect these types of changes will require new skill sets and resources but the possibilities for good are great **The Rhythm of the Christian Life** Brian J. Wright, 2019-08-13 Discover Life as God Intended Hurried and exhausted we are looking for a better way to manage all the demands in our lives We think that if we could simply learn to balance everything we would be happier But

our problem isn't balance. What we actually need is to rediscover the rhythm God has created a pulse for our lives and for centuries Christians lived into that intentional rhythm one that has been all but lost today. In this book Wright invites us to find true joy and wholeness as we embrace the two core realities that every person experiences in life: moments alone, times of solitude when we are with God alone; moments together, times of intentional fellowship with others. In our efforts to maximize our time we often set unrealistic expectations for our quiet time and our social relationships. The result is a failure to hear the ancient rhythm that shows how these dimensions of our lives should complement each other. Embracing the rhythm of the Christian life and living it wholeheartedly is the task of all believers, not just some of us. As Christians, our whole life consists of loving God and loving others just like Jesus did.

**Called to Community** Eberhard Arnold, Dietrich Bonhoeffer, Joan Chittister, 2016. Fifty-two readings on living in intentional Christian community to spark group discussion. Gold Medal Winner 2017 Illumination Book Awards. Christian Living Silver Medal Winner 2017 Benjamin Franklin Award in Religion. Independent Book Publishers Association. Why in an age of connectivity are our lives more isolated and fragmented than ever? And what can be done about it? The answer lies in the hands of God's people. Increasingly today's Christians want to be the church to follow Christ together in daily life. From every corner of society they are daring to step away from the status quo and respond to Christ's call to share their lives more fully with one another and with others. As they take the plunge they are discovering the rich, meaningful life that Jesus has in mind for all people and pointing the church back to its original calling to be a gathered, united community that demonstrates the transforming love of God. Of course such a life together with others isn't easy. The selections in this volume are by and large written by practitioners, people who have pioneered life in intentional community and have discovered in the nitty-gritty of daily life what it takes to establish, nurture, and sustain a Christian community over the long haul. Whether you have just begun thinking about communal living or are already embarking on sharing life with others or have been part of a community for many years, the pieces in this collection will encourage, challenge, and strengthen you. The book's fifty-two chapters can be read one a week to ignite meaningful group discussion. Contributors include from John F. Alexander, Eberhard Arnold, J. ,1884 Understanding Community Today Edmund Aku PhD.,2021-01-10 Today that it has become customary to refer simultaneously to both the global and ethnic entities as a community it has become necessary to reexamine the meaning of this belabored concept That is exactly the burden of this book It intends to find a meaning for a community that bridges the parallel trends of globalization and ethnic awareness to thereby enrich all parties I believe I found a reliable metaphor for community in another concept the person The search for this new understanding of community entails considering it vis vis society Both terms are usually used interchangeably but as will soon be clear to us and as shown by research studies they are not exactly identical Effort is made in this work to avoid the limitations of the traditional application of the term community Its features are reappreciated with this in view taking into account also the multiethnic interest of this study I incorporate the concept of community of communities to depict both the diversity among component communities and the unity that binds and characterizes them as a political entity **Simple Harmony** Larry Duggins,2018-04-03 Many have experienced Christianity as a confusing list of restrictive rules designed to wring all of the joy out of life Others seek to live as Christians without a clear understanding of what the focus of a Christian life should be leaving them to wonder if Jesus had more in mind than regular Sunday morning worship attendance What does a healthy Christian life look like Larry Duggins has molded three anchor scriptures into a simple model of balanced Christian life using the Celtic cross as an illustration Duggins believes that the Greatest Commandment the Hymn of Kenosis and the Prayer of Unity combine to guide a life of worship sharing service and community that leads to a closer relationship with God This simple engaging book includes questions for reflection and discussion and is appropriate for both the curious and the committed This second edition includes a new introduction and two new chapters addressing the question of balance and the nature of the other Practicing Theology Miroslav Volf,Dorothy C. Bass,2001-10-26 In a time when academic theology often neglects the lived practices of the Christian community this volume seeks to bring balance to the situation by showing the dynamic link between the task of theology and the practices of the Christian life The work of thirteen first rate theologians from several cultural and Christian perspectives these informed and informative essays explore the relationship between Christian theology and practice in the daily lives of believers in the ministry of Christian communities and as a needed focus within Christian education Contributors Dorothy C Bass Nancy Bedford Gilbert Bond Sarah Coakley Craig Dykstra Reinhard H tter L Gregory Jones Serene Jones Amy Plantinga Pauw Christine Pohl Kathryn Tanner Miroslav Volf Tammy Williams The Connecting Church Randy Frazee,2009-05-26 The development of meaningful relationships where every member carries a significant sense of belonging is central to what it means to be the church So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community Despite the best efforts of pastors small group leaders and faithful lay persons church too often is a place of loneliness rather than connection Church can be so much better So intimate and alive The Connecting Church tells you how The answer may seem radical today but it was a central component of life in the early

church First century Christians knew what it meant to live in vital community with one another relating with a depth and commitment that made the body of Christ a perfect metaphor for the church What would it take to reclaim that kind of love joy support and dynamic spiritual growth Read this book and find out Life in Community Dustin Willis, 2015-07-16 WHAT MAKES A COMMUNITY EXTRAORDINARY When people live in community moved by the gospel and marked by the Spirit great things happen They commit to one another They grieve together sing together eat pray and play together They love serve honor encourage and provide for each other gladly And they live on mission together Hearts are healed walls come down and outsiders come in No competition No pretense No vain conceit Just full hearts breaking bread and giving freely It is nothing short of amazing Most of us live in a shadow of what God intended for us Life in Community calls us into the light Reclaiming Scripture's stunning vision of gospel centered community it inspires us to live in love unbounded Read it live it and join the movement Help unleash the power of extraordinary community 6 Week group study included **Reflections on Grace** Thomas A. Langford, 2007-06-23 For about the last fifteen years of his life Thomas A Langford pondered how grace is central to Christian theology This book records his reflections and provides numerous gems of mature Christian insight From beginning to end the book is christologically focused Grace is not something that God gives us rather it is the way God gives us himself Grace is a person God present to human beings Grace is not a gift but rather a giver Grace is Jesus Christ The central contribution of this work is its personalization of grace its sharp focus on God present in Jesus Christ Because its focus on grace gives the reader such a clear and thematically developed entry point this work is a great introduction to theology and the life of the church the kind that pastors and parishioners would certainly benefit from confronting **The Historical Bible: The work and teachings of the apostles** Charles Foster Kent, 1916 **Life Together** Dietrich Bonhoeffer, 1978-10-25 After his martyrdom at the hands of the Gestapo in 1945 Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world His Letters and Papers from Prison became a prized testimony to Christian faith and courage read by thousands Now in Life Together we have Pastor Bonhoeffer's experience of Christian community This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters It gives practical advice on how life together in Christ can be sustained in families and groups The role of personal prayer worship in common everyday work and Christian service is treated in simple almost biblical words Life Together is bread for all who are hungry for the real life of Christian fellowship *Rural Manhood*, 1912 *A Handbook of the Community Church Movement in the United States* David Roy Piper, 1922 *The Christian Advocate*, 1911 *Community Pulpit*, 1900 Contains text of Community Church sermons and addresses
