Community Growth Our Pilgrimage Together:

Seasons of Love Eleanor Sampeck, 2004 Twenty five years ago an extended family made a return to nature move to the country This magical book is the record of their struggles and growth The book achieves its vividly realistic tone by covering the family's lived experience from joy to sorrow life and death and lofty to such mundane details as manure for the garden Its pages are populated by four generations unusual in a time when the nuclear family is everything Although the work is supported by sound theological and psychological theory it never lingers too long in these realms but continues to continue the daily drama of one family's risky living of the gospel

Monastic Practices Charles Cummings, 2015 For three decades *Monastic Practices* has been a valued resource for English speaking aspirants to monastic life In this revised edition updated and expanded Charles Cummings OCSO explores the common practices of the monastic life in order to rediscover them as viable means of leading persons to a deeper encounter with God How do monks and nuns occupy themselves throughout the day Have they modernized their lifestyle or is it still cluttered with medieval customs Could any of the monastic practices be of use to those outside the monastery A certain wisdom is necessary to know how to use such practices and how to give oneself to them until they lead one to God After long monastic experience Cummings shows us how the ordinary things we do constitute our path to God In the art of living life he argues we are always beginners searching for God through our concrete circumstances and actions

SCM Studyguide: Church Leadership Jon Coutts, 2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church

Truly the Community Marva J. Dawn, 1997 Author educator theologian Marva Dawn looks to the twelfth chapter of the book of Romans for a blueprint for establishing the contours of community in the Christian church a biblical ideal rarely achieved in our individualistic society

The Lichen Factor Jim Lotz, 1998 Tender to the World Carolyn Whitney-Brown, 2019-10-16 Jean Vanier's spiritual vision and sense of humour shaped L'Arche but the organization was also informed by its surprising history with the United Church of Canada In *Tender to the World* Carolyn Whitney Brown explores the connections between the two organizations through diverse critical insights from Julia Kristeva Doreen Massey and Mikhail Bakhtin as well as Vanier's controversial articulation of the gift of weakness Tracing the five decade relationship between L'Arche and the United Church alongside evolving disability theories Whitney Brown examines both the fundamental importance of stories and the agency of people with intellectual disabilities Inversion a transformative overturning of expectations in social interactions can be upsetting or exciting challenging or inspiring she argues This book offers a fresh look at how L'Arche and the United Church have worked to break down walls of difference illuminating how each tenders something unexpected to the other and to the world At a time when many are seeking new visions for society the long and complex relationship between Canada's largest Protestant denomination and L'Arche offers both encouragement and a deeper way to approach questions of living in diverse communities
