The Power of Logos William L. Haig, Laurel Harper, 1997-05-14
This book brings together both design and marketing expertise to explain how to create a truly effective company logo. It demonstrates and explains how to integrate concepts such as credibility, familiarity, and the essential spirit of a business into a logo design. Written for both the designer and the company manager, it defines the meaning of credibility and then demonstrates the kinds of qualities that convey credibility in a company logo. You need this book if you are a designer attempting to understand marketing and business concepts, how to translate credibility into design, the defining qualities of a business, what a client is saying, the many applications of a logo, a manager attempting to understand how to approach the task of creating a logo, the designer's perspective, what message a company logo should convey, how design can be used to symbolize expertise, how to communicate clearly with a designer.
