Money God Temples in Taiwan Fabian Graham, 2025-12-22 This book traces the history and development of Taiwan's
new money god tradition where by borrowing a small sum of blessed fortune money and returning it with interest within a
year a temple's deity may intervene in the recipient's life bringing them unearned good luck and good fortune Comprising an
in depth ethnography based on a decade of research the book explores Taiwan's money god tradition revealing its ritual
culture and underlying beliefs thoroughly analyzed from sociological comparative historical geographic Taoist Buddhist
metaphysical and philosophical contexts Drawing on Taoist and Buddhist cosmology Chinese afterlife beliefs and a trust in
the power of the gods to influence the material world the narrative explores the subjective nature of luck and fate of human
desires choices and decisions and of individuals subjective understandings of what the universe contains These factors all
contribute to the book's final question which through an exploration of human deity interactions investigates whether
Jacques Derrida's true unreciprocal gift exists on a transcendent level amid the religious exchanges within Taiwan's money
god tradition This will be a valuable resource for students and scholars of Chinese religion and Taiwanese culture as well as
