If you use LinkedIn the right way, your profile will be out there for the world to see. Remember that it's never too soon nor too late to start learning how to use LinkedIn for your own personal goals. Start with the tip that you like the most in order to get going. Is there more to it than just LinkedIn? Yes, there are more important things to think about. Taking the decision to go for it and try to find a job abroad, narrowing down what kind of jobs you want, and setting your personal sales pitch is more important than having a good digital profile.
