*Good Wives* Laurel Thatcher Ulrich,2010-12-29 This enthralling work of scholarship strips away abstractions to reveal the hidden and not always stoic face of the goodwives of colonial America In these pages we encounter the awesome burdens and the considerable power of a New England housewife s domestic life and witness her occasional forays into the world of men We see her borrowing from her neighbors loving her husband raising and all too often mourning her children and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess Painstakingly researched lively with scandal and homely detail *Good Wives* is history at its best

*Companion to Women's Historical Writing* M. Sponberg,A. Curthoys,B. Caine,2016-04-30 This A Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The *Companion* covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included

*History's Memory* Ellen Fitzpatrick,2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on

today's heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past      **Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory** Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women's participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women's history but also influenced the creation of our national memory in the twentieth century      **Class List**
