A comparison of the defense acquisition systems of France, Great Britain, Germany and the United States, **New York Magazine**, 1986-11-17

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

The Color of Money Perseus, 2003-05-01 After 20 years of hibernation, former pool champion Fast Eddie Felson is playing exhibition matches with former rival Minnesota Fats in shopping malls for prizes like cable television. With one failed marriage and years of running a pool hall, Eddie is now ready to regain the skills needed to compete in a world of pool that has changed dramatically since he left it behind. The real challenge comes when Eddie realizes that in order to compete successfully, he must hone his skills in the game of nine-ball as opposed to the straight pool that had once won him fame. With a new generation of competitors, fear and doubt, and the daily possibility of failure arise, giving Fast Eddie a new challenge to overcome.
