## Colors Of My Days:

*My Many Colored Days* Dr. Seuss, 1996-08-20 Accompanying a manuscript Dr Seuss wrote in 1973 was a letter outlining his hopes of finding a great color artist who will not be dominated by me The late Dr Seuss saw his original text about feelings and moods as part of the first book ever to be based on beautiful illustrations and sensational color The quest for an artist finally ended after the manuscript languished for more than two decades at the paint brushes of husband and wife team Steve Johnson and Lou Fancher whose stunning expressive paintings reveal such striking images as a bright red horse kicking its heels a cool and quiet green fish a sad and lonely purple dinosaur and an angrily howling black wolf Using a spectrum of vibrant colors and a menagerie of animals this unique book does for the range of human moods and emotions what *Oh the Places You ll Go* does for the human life cycle Here is a wonderful way for parents to talk with children about their feelings With Johnson and Fancher s atmospheric large scale paintings bursting off the pages Dr Seuss s vision is brought to life This rare and beautiful book is bound to appeal to both the innocent young and the most sophisticated seniors

*Bare Soul* Kalpna Singh-Chitnis, 2015-07-15 Ever since *Leaves of Grass* first appeared in 1855 we find Walt Whitman simultaneously falsely imitated and truly manifesting in America Who would have thought that his latest local incarnation would be in the body and the soul of an exceptional woman born in Gaya Bihar India where the Buddha experienced Enlightenment Yet here he is Jack Foley Kalpna Singh Chitnis poetry is laden with original thoughts spontaneity of expression and sublimity Her poetic myth and philosophy are self created and universal to the core Naseer Ahmed Nasir Kalpna s poetry is a saga of struggle between two parts of the dual principle of male female creation as one It is the first ever attempt in English to understand debate and resolve this issue in poetry Satyapal Anand Only a poet of Kalpna s caliber could make words sing and dance or weep and mourn all at the same time John Harricharan These are the verses not only of a major poet but of a true humanitarian in an era when core human values no longer seem common Above all this is a book of love Jennifer Reeser Kalpna s poetry transcends the boundaries of literary analysis soaring above the need to categorize or dissect or label with names as much of English literature is approached Amata Natasha Goldie *Quondam a Soliloquy* Peter` McKinney, 2011-12-08 NA **Scribner's Magazine** Edward Livermore Burlingame, Robert Bridges, Alfred Sheppard Dashiell, Harlan Logan, 1887 **The Complete Works of John Ruskin** John Ruskin, 1891 **Scribner's Monthly, an Illustrated Magazine for the People** , 1908 *Windows to a Soul* Carolee Merrigan, 2006 This book invites you the reader to a deeper friendship with Jesus through a daily inspired intimate and loving dialogue with the Lord *Observations at the Speed of Life* Ed Doherty, 2024-02-29 *Observations at the Speed of Life* is a collection of stories that have been shared with others throughout a career of mentoring and motivating friends family and coworkers Sometimes humorous sometimes inspirational and occasionally packed with wisdom They are all about aspiring to be the best version of yourself Some of the essays are very personal and some are philosophical but regardless each one packs a message about hope and the value of

persistence This book is a result of more than forty years of preparing and writing weekly messages to the teams Ed managed Those messages consisted of his workplace observations about performance motivation management leadership and integrity They were timely lessons that could be applied immediately When Ed transitioned to full time consulting those messages continued but in the form of a Wednesday Weblog to an international audience The stories range from working as a pipefitter third class unskilled during the Vietnam War to an all night production session with Larry Bird making a television commercial to befriending an eighty year old usher at Fenway Park to running the Boston Marathon for the first time at the age of seventy and everything in between Flying With Peek-a-Boo Multi-Colored Feathers Mary Ryan,2021-03-09

Students learning how to witness the best version of themselves was an important aspect of pioneering multicultural education I wanted the children to learn the larger truth about how the knowledge of themselves and others can spin into arguments and judgments Unlearning something when new facts reveal that an original assumption is outdated or not factual is good While human skin comes in a variety of shades we all share the same color bones and the same color blood The purpose of my book Flying With Peek a Boo Multicolored Feathers is to share based on my personal experience as a classroom teacher what it is like in a classroom setting to develop in students a better awareness knowledge understanding and appreciation of our Canadian identity The clinical conclusions indicate that when students are introduced and interact with people of various cultural traditions and religions as members of a family who shop at the same stores enjoys TV and sports every bit as much as they do the students increase by a measurable margin a better appreciation of our various Canadian traditions Most importantly the students also gain in self esteem in a measurable margin
