Comanche Rain:

Comanche Rain Merri C. Harrison- Quarles,2010-07-30 Amata a five year old Comanche child growing up with the determination of becoming a great warrior in her own right She must learn the lessons chief Aberon her father teaches her as well as those taught by the spirit world All of the lessons learned she must teach in her own way to the children known as the chosen four These chosen children are able to travel through the spirit world and are a part of both worlds They were born raised and trained to do the bidding of the Great Spirit with the very life force of the Great Spirit wilding his mighty hand through them These four children have destinies to complete as they become the salvation of the Comanche Nation only to be betrayed by one of their own All that they endured and all they have accomplished seems lost as they embark on the trail of tears forced on them by their enemy Their strong will and determination at the end of their journey makes one wonder if they will come back and fight again for what they so desperately believe *Comanche Rain* Genell Dellin,1995

Cinematic Comanches Dustin Tahmahkera,2022 For centuries Comanches have captivated imaginations Yet their story in popular accounts abruptly stops with the so called fall of the Comanche empire in 1875 when Quanah Parker led Comanches onto the reservation in southwestern Oklahoma In *Cinematic Comanches* the first tribal specific history of Comanches in film and media Parker descendant Dustin Tahmahkera examines how Comanches represent themselves and are represented by others in recent media Telling a story of Comanche family and extended kin and their relations to film Tahmahkera reframes a distorted and defeated history of Comanches into a vibrant story of cinematic traditions agency and cultural continuity Co starring a long list of Comanche actors filmmakers consultants critics and subjects *Cinematic Comanches* moves through the politics of tribal representation and history to highlight the production of Comancher a cinema From early silent films and 1950s Westerns to Disney s *The Lone Ranger* and the story of how Comanches captured its controversial Comanche lead Johnny Depp Tahmahkera argues that Comanche nationhood can be strengthened through cinema Tahmahkera s extensive research includes interviews with elder LaDonna Harris who adopted Depp during filming in one of the most contested films in recent Indigenous cinematic history In the fragmented popular narrative of the rise and fall of Comanches *Cinematic Comanches* calls for considering mediated contributions to the cultural resurgence of Comanches today *Dressing In Feathers* S. Elizabeth Bird,2018-02-02 One hundred members of NatChat an electronic mail discussion group concerned with Native American issues responded to the recent Disney release *Pocahontas* by calling on parents to boycott the movie citing its historical inaccuracies and saying that Disney has let us down in a cruel irresponsible manner Their anger was rooted in the fact that although Disney had claimed that the film s portrayal of American Indians would be authentic the *Pocahontas* story the movie told was really white cultural myth The actual histories of the characters were replaced by mythic narratives depicting the crucial moments when aid was given to the white settlers As reconstructed the story serves to reassert for whites their right to be here easing any lingering guilt about the

displacement of the native inhabitants To understand current imagery it is essential to understand the history of its making and these essays mesh to create a powerful interconnected account of image creation over the past 150 years The contributors who represent a range of disciplines and specialties reveal the distortions and fabrications white culture has imposed on significant historical and current events as represented by treasured artifacts such as photographic images taken of Sitting Bull following his surrender the national monument at the battlefield of Little Bighorn nineteenth century advertising the television phenomenon Northern Exposure and the film Dances with Wolves Well illustrated this volume demonstrates the complacency of white culture in its representation of its troubled relationship with American Indians

Special Report United States. Dept. of Agriculture,1880 **The Last Battle of the Sioux Nation** Usher Lloyd Burdick,1929 This book is written almost entirely from the Indian standpoint and yet when the details as related are compared with the facts really known by the historians this story does not conflict in many points with the generally accepted story of the battle The real point of difference and that which is believed to be a new contribution is the plan of attack of the Indians and the events of Custer s last stand The details of this story were not obtained in one interview but in many interviews covering a period of many years Page 17 *Report Upon the Area and Condition of Corn, Potatoes and Tobacco and the Condition of Growing Crops in the United States and Europe* ,1883 *Peanut Promoter* ,1918 *Report USA* Department of Agriculture Division of Statistics,1893 **Cry Comanche** Harold B.
