Comanche Promise:

Comanche Promise Carol Finch, 1998 With each historical romance she pens Carol Finch creates a unique blend of unforgettable sensuality captivating humor and wild adventure Now in this novel a risky bargain is sealed with much more than a kiss as two outsiders a plucky British beauty and an elusive Comanche gunslinger finally find their place in the West and in each other's arms

The Comanches Thomas W. Kavanagh, 1999-01-01 This is the first in depth historical study of Comanche social and political groups Using the ethnohistorical method Thomas W Kavanagh traces the changes and continuities in Comanche politics from their earliest interactions with Europeans to their settlement on a reservation in present day Oklahoma

Documents of American Indian Diplomacy Vine Deloria, Raymond J. DeMallie, 1999 Reproduced in this two volume set are hundreds of treaties and agreements made by Indian nations with among others the Continental Congress England Spain and other foreign countries the ephemeral Republic of Texas and the Confederate States railroad companies seeking rights of way across Indian land and other Indian nations Many were made with the United States but either remained unratified by Congress or were rejected by the Indians themselves after the Senate amended them unacceptably Many others are agreements made after the official but hardly de facto end of U S treaty making in 1871 With the help of chapter introductions that concisely set each type of treaty in its historical and political context these documents effectively trace the evolution of American Indian diplomacy in the United States

Comanche Political History Thomas W. Kavanagh, 1996 The book presents detailed histories of each of the Comanche tribes and raises larger questions about political processes What are the origins and fates of political organizations Why do peoples come together Why do they disperse In classical political philosophy tribes nations and ethnic groups have clear unchanging boundaries their origins are mythical and unknowable and their collapse is pathological

Snowflakes and Stetsons Jillian Hart, Carol Finch, Cheryl St. John, 2011-09-20 Christmas at Cahill Crossing One Christmas night outcast Lucas Burnett finds a silver haired angel buried in the snow But Rosalie Greer is no pale spirit she's a fiery independent woman as wild as the mustangs Lucas breeds Can she be the one to finally thaw Lucas's frozen heart Publisher

The American Promise, Volume II: Since 1865 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2012-01-09 The American Promise is more teachable and memorable than any other U S survey text The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable The past comes alive for students through dynamic special features and a stunning and distinctive visual program Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students geographic literacy A rich array of special features complements the narrative offering more points of departure for assignments and discussion Longstanding favorites include Documenting the American Promise
