Combating Aids Communication Strategies In Action:

Combating AIDS Arvind Singhal, Everett M Rogers, 2003 Awarded the Annual Award for Distinguished Scholarly Book in Applied Communication by the National Communication Association USA This gripping narrative not only documents the history of humankind's interaction with a clever virus it brings to the forefront the much and understated and underused role of communication in HIV and AIDS prevention care and treatment Singhal and Rogers remind us that our global environment is shaped by powerful communication means and methods that if properly harnessed can help defeat the plague of the 21st century Neil McKee Senior Technical Advisor for HIV AIDS and Adolescent Health Johns Hopkins University This book is an important contribution to AIDS education globally The rich and diverse cases analyze humanize and contextualize the continuum of HIV AIDS prevention care and support Researchers and practitioners will find this book most useful Collins Airhihenbuwa Professor of Bio Behavioural Health Penn State University Educating people about AIDS is one of the biggest communication challenges that we face today This remarkable book is a must read for anyone who wants to understand the challenges and ways to overcome it Thorough and hopeful this is one of those books that can actually make a difference in this world Emanuel Rosen author of *The Anatomy of Buzz* A thoroughly readable and inspiring book by two of the world's foremost health communication experts Accessible and personalised it is a must read for all those interested in AIDS prevention care and support Shereen Usdin Co Founder of the Soul City Institute of Health and Development Communication South Africa This book provides a comprehensive analysis of the strategies related to HIV AIDS communications It is published at a critical moment as the world increasingly realizes the role of communication in the fight against HIV AIDS Rafael Obregon Social Communication Advisor Pan American Health Organization *Combating AIDS* is slickly written using communicators theories taking the reader step by step through various arguments and using repetition to ingrain them in the reader's mind Ritu Priya Nature HIV AIDS is a matter of global concern The world is now more than 20 years into the HIV AIDS crisis with no vaccine in sight and relatively few effective and sustainable prevention programs Although the rate of HIV infection and AIDS deaths has declined in the richer nations of the developed world infection rates are soaring in developing countries AIDS is now the leading cause of death in Africa and the fourth leading cause of death globally The purpose of this book is to synthesize critical lessons about effective HIV AIDS prevention programmes with a major emphasis on communication strategies The authors feel that despite the growing AIDS crisis the world is making poor use of behaviour change and communication strategies for HIV AIDS prevention To begin with the role of communication strategies in HIV prevention care and support has been grossly underestimated Prevention is shortchanged despite the fact that no cure for AIDS has been found and the cost of anti retroviral therapy is out of reach for most who need it Many communication strategies are culturally inappropriate so they may offend public sensitivities which is easy to do when dealing with a sensitive topic that involves sex stigma and death *Combating AIDS Communication Strategies in Action* focuses on

communication strategies that could mobilize political action target high risk groups and overcome stigma The authors have also described and analyzed the value of entertainment education strategy in HIV prevention Communication for Social Change Anthology Alfonso Gumucio Dagron, Thomas Tufte, 2006 Contains nearly 200 readings published between 1927 and 2005 in English or translated from other languages on the historical roots and pioneering thinking regarding communication for social change Covers a variety of topics including the radio tv and other mass communication information and communication technology the digital gap the formation of an information society national information policies participatory decision making communication of development pedagogy and entertainment education HIV AIDS communication for prevention etc **Health Communication in Southern Africa** ,2009 It is also an invaluable resource for professionals who are involved in health communication

Introduction to Health Behavior Theory Joanna Hayden, 2009-10-05 Health Behavior Education Promotion **Human Interaction with Technology for Working, Communicating, and Learning: Advancements** Mesquita, Anabela, 2011-12-31 This book provides a framework for conceptual theoretical and applied research in regards to the relationship between technology and humans Provided by publisher *Essential Readings in Health Behavior* Mark Edberg, 2010-10-22 Health Behavior Education Promotion Seminar ,2003 *UN Chronicle* ,2003

Social Action ,2003 **The Journal of International Communication** ,2003 Theatre for Women's Participation in Sustainable Development Beth Osnes, 2013-11-26 Though development researchers have proven that the participation of women is necessary for effective sustainable development development practitioners still largely lack culturally appropriate gender sensitive tools for including women especially women living in poverty Current tools used in the development approach often favour the skill set of the development practitioner and are a mismatch with the traditional gendered knowledge and skills many women who are living in poverty do have This study explores three case studies from India Ethiopia and the Guatemala that have successfully used applied theatre for women s participation in sustainable development This interdisciplinary book has the opportunity to be the first to bring together the theory scholarship and practice of theatre for women s participation in sustainable development in an international context This work will be of great interest to scholars and practitioners in a wide variety of fields who are looking for creative solutions for utilizing the contributions of women for solving our global goals to live in a sustainable way on this one planet in a just and equitable manner

Communication Activism Lawrence R. Frey, Kevin M. Carragee, 2007 These two texts showcase how scholars have engaged in communication activism to assist individuals groups organizations and communities to secure social reform Volume 2 focuses on research studies that show how media can be managed to promote social change and how performance can serve as an important form of communication activism Together these two volumes demonstrate the significant effects that communication scholars working from many different theoretical and methodological traditions can have on promoting social change especially for those who are most marginalized when they engage in communication activism *United*
