Beginning Application Lifecycle Management Joachim Rossberg, 2014-09-22 Beginning Application Lifecycle Management is a guide to an area of rapidly

growing interest within the development community managing the entire cycle of building software ALM is an area that spans everything from requirements specifications to retirement of an IT system or application Because its techniques allow you to deal with the process of developing applications across many areas of responsibility and across many different disciplines the benefits and effects of ALM techniques used on your project can be wide ranging and pronounced In this book author Joachim Rossberg will show you what ALM is and why it matters He will also show you how you can assess your current situation and how you can use this assessment to create the road ahead for improving or implementing your own ALM process across all of your team s development efforts Beginning Application Lifecycle Management can be implemented on any platform This book will use Microsoft Team Foundation Server as a foundation in many examples but the key elements are platform independent and you ll find the book written in a platform agnostic way In this book you ll learn What application lifecycle management is and why it matters The steps necessary for implementing an ALM process Tips and techniques you can use to gain control of your development efforts How to implement an agile framework into your ALM process How to achieve traceability and visibility in your projects How to automate your ALM process *Beginning ASP.NET 2.0 and Databases* John Kauffman,Bradley Millington,2009-08-28 Combining both VB Net and C coverage in one book this guide focuses on using ASP NET 2 0 for solving business dynamic Web site challenges in a logical progression from connecting to a database to displaying information to changing data Covers the fundamentals of connecting Web pages to databases techniques for creating data objects and events and ways to handle data errors Features tricks and traps for displaying data in grids lists and trees Goes beyond the usual basic techniques to discuss the best practices and pitfalls that can occur in real world scenarios with SQL Server Oracle MySQL Access and the new SQL Server Express Edition

Diversity and Inclusion in Italy Simone Pulcher,Stefano Basaglia,Simona Cuomo,Zenia Simonella,2025-05-05 History geography culture and the legal framework influence the dynamics of inclusion and exclusion in and around organisations Yet most academics and practitioners still approach themes of diversity in organisations relying on standardised discourses and practices often transferred uncritically from the Anglo Saxon context Adopting a contextual approach that takes into account the specificities of the Italian context this book explores a wide array of themes related to diversity and inclusion in organisations and society Focusing on the Italian context the book offers new insights into themes already well established in the diversity debate such as gender age and disability It also provides an opportunity to reflect on categories organisational forms and stakeholders rarely associated with diversity such as social class family businesses and trade unions but also to consider the role of technology and the arts as tools for both inclusion and exclusion The contributions draw on different disciplines and perspectives and provide insights relevant not only with respect to Italy but also to other national and international contexts This volume is aimed at both researchers and practitioners who wish to develop a more nuanced and mature understanding of diversity in organisations and society Beginning Web Development, Silverlight, and ASP.NET

AJAX Laurence Moroney, 2008-06-25 Beginning Web Development Silverlight and ASP NET AJAX From Novice to Professional aims to give you the skills you need to start building web applications with Microsoft's next generation technology as quickly as possible Whether you're interested in ASP NET AJAX Silverlight or the technologies that support them WPF WCF WF etc this book is the starting point that you need It adopts a zero to hero approach that concentrates on achieving practical results you can use in real projects rather than presenting a deep academic treatment that can't be immediately applied The aim is to give you the reader the knowledge you need to achieve the results you want with the minimum of fuss When you've read this book you'll have a solid understanding of all the techniques that are available when to use them and their relative strengths and weaknesses

Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue

The End And The Beginning: The Nicaraguan Revolution John A. Booth, 2019-06-10 For a brief period revolution in Nicaragua dominated the news But what has happened since the 1979 insurrection that toppled the government of Anastasio Somoza Debayle And what does this mean for Nicaragua's future This book provides an up to date view of the radical social and political changes that are occurring in these first few years of go
