Beginner Remote Work Productivity Ideas In Usa:

A Creative Approach to the Employee Engagement Dilemma Lisa Fisher, 2023-11-17 Despite employee engagement literature spanning more than three decades persistent challenges remain and many seem to be permeating organizations from the outside in Organizations invested in current structures adhering to larger cultural ideas and taking cues from other organizations compartmentalize engagement as a people problem and relegate it to a space outside of normal operations This is the employee engagement dilemma The US macro cultural lens focusing on individualism and meritocracy reinforces and confirms this approach and the logic underlying it These cultural ideas drive scholars and practitioners toward ever closer examination of circumstances within organizational settings and so the dilemma remains In the context of the Fourth Industrial Revolution and the Great Resignation the employee engagement stakes have never been higher especially for organizations with remote workforces In *A Creative Approach to the Employee Engagement Dilemma* Larger Cultural Influences and New Theoretical Insights Fisher employs a symbolic interactionist lens and other theoretical tools to interrogate the current trajectory and make visible foundational cultural assumptions operating in and influencing organizations from the outside that delimit our thinking about and undermine engagement before it even begins Equipped with these larger cultural insights Fisher then revisits the engagement literature and broader scholarly offerings to pull in novel insights applied research solutions and new directions for future studies

Diversity and Inclusion in Italy Simone Pulcher, Stefano Basaglia, Simona Cuomo, Zenia Simonella, 2025-05-05 History geography culture and the legal framework influence the dynamics of inclusion and exclusion in and around organisations Yet most academics and practitioners still approach themes of diversity in organisations relying on standardised discourses and practices often transferred uncritically from the Anglo Saxon context Adopting a contextual approach that takes into account the specificities of the Italian context this book explores a wide array of themes related to diversity and inclusion in organisations and society Focusing on the Italian context the book offers new insights into themes already well established in the diversity debate such as gender age and disability It also provides an opportunity to reflect on categories organisational forms and stakeholders rarely associated with diversity

such as social class family businesses and trade unions but also to consider the role of technology and the arts as tools for both inclusion and exclusion The contributions draw on different disciplines and perspectives and provide insights relevant not only with respect to Italy but also to other national and international contexts This volume is aimed at both researchers and practitioners who wish to develop a more nuanced and mature understanding of diversity in organisations and society
