of quirky characters and fast friends none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries But not even Huishen could imagine the events of 9 11 which transform Geddes journey beyond a quest for an elusive monk into an exploration of the ways in which we learn to interpret history Sacred profane and richly comic Kingdom of Ten Thousand Things a Chinese term for life itself is a remarkable personal odyssey a cornucopia of adventure philosophy and hearsay a book that will disarm and delight while provoking debate just who got here first anyway
