Is Our Classroom Jennie Germann Molz, 2021-02-23 How travelling the world allows new ways to educate children and perform family life on the move A growing number of families are selling their houses quitting their jobs and taking their children out of traditional school settings to educate them while traveling the globe In The World is Our Classroom Jennie Germann Molz explores the hopes and anxieties that drive these parents and children to leave their comfortable lives behind out of a desire to live the good life on the move Drawing on interviews with parents and stories from the blogs they publish during their journeys as well as her own experience traveling the world with her ten year old son Germann Molz takes us inside a fascinating life spent on trains boats and planes She shows why many parents disillusioned with standard public schooling believe the world is a child s best classroom Rebelling against convention these parents combine technology and travel to pursue a different version of the good life one in which parents can work remotely as digital nomads participate in

like minded communities online and expose their children to the risks opportunities and life lessons that the world has to offer Ultimately Germann Molz sheds light on the emerging phenomenon of worldschooling showing that it is not just an alternative way to educate children but an altogether new kind of mobile lifestyle The World is Our Classroom paints an extreme portrait of twenty first century parenting and some families attempts to raise global citizens prepared to thrive in the uncertain world of tomorrow

Branding for Bloggers New York Institute of Career Development,Zach Heller,2013-05-07 There are more than 54 000 new blogs started every day around the world The stark reality is that most will fail because bloggers don t have enough information on marketing themselves The key to any successful marketing plan is a strong brand Branding for Bloggers features tried and true it worked for me methods of branding from a rich mix of professional bloggers and branding experts Bloggers will learn how to define their brand establish it to grow the reach of their blog and use their new brand identities to start earning money online Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don t aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

How to Land a Top-Paying Bloggers Job Brian Gordon,2012-04-01 For the first time a book exists that compiles all the information candidates need to apply for their first Bloggers job or to apply for a better job What you ll find especially helpful are the worksheets It is so much easier to write about a work experience using these outlines It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points With this book you ll be able to revise your application into a much stronger document be much better prepared and a step ahead for the next opportunity The book comes filled with useful cheat sheets It helps you get your career organized in a tidy presentable fashion It also will inspire you to produce some attention grabbing cover letters that convey your skills persuasively and attractively in your application packets After studying it too you ll be

prepared for interviews or you will be after you conducted the practice sessions where someone sits and asks you potential questions It makes you think on your feet This book makes a world of difference in helping you stay away from vague and long winded answers and you will be finally able to connect with prospective employers including the one that will actually hire you This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions don't forget to wear a nice suit to your interview for example Instead it deliberately challenges conventional job search wisdom and in so doing offers radical but inspired suggestions for success Think that companies approach hiring with common sense logic and good business acumen and consistency Think that the most qualified candidate gets the job Think again Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage Not sure how to do this Don't worry How to Land a Top Paying Bloggers Job guides the way Highly recommended to any harried Bloggers jobseeker whether you want to work for the government or a company You'll plan on using it again in your efforts to move up in the world for an even better position down the road This book offers excellent insightful advice for everyone from entry level to senior professionals None of the other such career guides compare with this one It stands out because it 1 explains how the people doing the hiring think so that you can win them over on paper and then in your interview 2 has an engaging reader friendly style 3 explains every step of the job hunting process from little known ways for finding openings to getting ahead on the job This book covers everything Whether you are trying to get your first Bloggers Job or move up in the system get this book
