Digital Hustlers Casey Kait, Stephen Weiss, 2009-03-17 The commercial and cultural explosion of the digital age may have been born in California's Silicon Valley but it reached its high point of riotous chaotic exuberance in

New York City from 1995 to 2000 in the golden age of Silicon Alley In that short stretch of time a generation of talented untested twentysomethings deluged the city launching thousands of new Internet ventures and attracting billions of dollars in investment capital Many of these young entrepreneurs were entranced by the infinite promise of the new media others seemed more captivated by the promise of infinite profits The innovations they launched from online advertising to 24 hour Webcasting propelled both the Internet and the tech stock boom of the late 90s And in doing so they sent the city around them into a maelstrom of brainstorming code writing fundraising drugs sex and frenzied hype until April 2000 when the NASDAQ zeppelin finally burst and fell at their feet In the pages of Digital Hustlers Alley insiders Casey Kait and Stephen Weiss have captured the excitement and excesses of this remarkable moment in time Weaving together the voices of more than fifty of the industry s leading characters this extraordinary oral history offers a ground zero look at the birth of a new medium Here are entrepreneurs like Kevin O Connor of DoubleClick Fernando Espuelas of StarMedia and Craig Kanarick of Razorfish commentators like Omar Wasow of MSNBC and Jason McCabe Calacanis of the Silicon Alley Reporter and inimitable Alley characters like party diva Courtney Pulitzer and Josh Harris the clown prince of Pseudo com Together they describe a world of sweatshop programmers and paper millionaires of cocktail napkin business plans and billion dollar IPOs of spectacular successes and flame outs alike Candid and open eyed bristling with energy and argument Digital Hustlers is an unforgettable group portrait of a wildly creative culture caught in the headlights of achievement

The Real Guide

David Reed, Jack Holland, 1991 **100+ REAL Work from Home Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW** Rebecca Hurst, 2020-06-08 Yes you really can make an actual income working from home Under the recent advice of social distancing and stay safe stay at home the advantage in today s workforce lies with those people who are able to do real work from home Because let s face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place In my book I show you over 100 ways you can have a successful career working from the comfort of your own home My Work from Home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you If you re just looking to make some extra side income or work at your own pace this book is for you too Many positions can be tailored to your preferred schedule what your expertise is and what your level of comfort with technology might be I took the guesswork out of the equation for you Other books blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love The first part is about finding what work you might want to do establishing what

you're good at and general advice about job hunting and working from home. The bulk of the book is dedicated to practical guidance for finding that job in the real world. You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love. Conversely, I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers. Out of the 100 ways to work from home, you're sure to find something you never thought of doing. Finally, I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations. While these jobs might not be done completely at home, you can still work out of your house without having to step foot in a cooperative office. It's better in the eBook format. I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format. If you have a Kindle Unlimited membership, you can also get this title for FREE for a limited time, so be sure to click Read for Free before this title is removed from Kindle Unlimited.
