How to Start a Home-based Blogging Business Brett Snyder, 2012-11-06 Having passion about a topic is a great reason to start blogging but there is a lot more to it than that This book will be able to help potential bloggers by asking the important questions needed to focus the blog It will also set expectations so there are fewer surprises along the way Making a blog a success can be a challenge but it s not out of reach for those who are determined

Fundamentals of Innovative Sustainable Homes Design and Construction Avi Friedman, 2023-06-26 This book offers ideas and practices on

contemporary design concepts and illustrates them with plans and photographs of outstanding examples Current planning and design modes of dwellings and neighborhoods are facing challenges of philosophy and form Past approaches no longer sustain new demands and require innovative thinking The need for a new outlook is propelled by fundamental changes that touch upon environmental economic and social aspects The depletion of non renewable natural resources and climate change are a few of the environmental challenges Increasing costs of material labor land and infrastructure have posed economic challenges with affordability being paramount among them Social challenges are also drawing the attention of designers builders and homeowners Walkable communities aging in place and multigenerational living are some of the concepts considered In addition live work environments have become part of the economic reality for those who wish to work from home which has become possible through digital advances The text would be of interest to scholars working in architecture urban planning and construction
