Comparative Political Economy A Developmental Approach

Mary Hawkesworth, Maurice Kogan

Comparative Political Economy A Developmental Approach:

Comparative Political Economy Jan-Erik Lane, Svante O. Ersson, 1997 A revised and updated edition of this student text which takes account of the major changes in the world's politico economic systems since the first edition published in 1990 The book is a comparative analysis of states considering their affluence democracy and public policy describing the polity and economy in a number of countries and surveying the dominant theoretical approaches The Comparative Political Economy of Development Barbara Harriss-White, Judith Heyer, 2009-12-21 This book illustrates the enduring relevance and vitality of the comparative political economy of development approach promoted among others by a group of social scientists in Oxford in the 1980s and 1990s Contributors demonstrate the viability of this approach as researchers and academics become more convinced of the inadequacies of orthodox approaches to the understanding of development Detailed case material obtained from comparative field research in Africa and South Asia informs analyses of exploitation in agriculture the dynamics of rural poverty seasonality the non farm economy class formation labour and unfreedom the gendering of the labour force small scale production and contract farming social networks in industrial clusters stigma and discrimination in the rural and urban economy and its politics Reasoned policy suggestions are made and an analysis of the comparative political economy of development approach is applied to the situation of Africa and South Asia Aptly presenting the relation between theory and empirical material in a dynamic and interactive way the book offers meaningful and powerful explanations of what is happening in the continent of Africa and the sub continent of South Asia today It will be of interest to researchers in the fields of development studies rural sociology political economy policy and practice of development and Indian and African studies **The Political Economy of Development** Robert H. Bates, 2020-10-29 Those studying development often address the impact of government policies but rarely the politics that generate these policies A culmination of several decades of work by Robert Bates among the most respected comparativists in political science this compact volume seeks to rectify that omission Bates addresses the political origins of prosperity and security and uncovers the root causes of under development Without the state there can be no development but those who are endowed with the power of the state often use its power to appropriate the wealth and property of those they rule When do those with power use it to safeguard rather than to despoil Bates explores this question by analyzing motivations behind the behaviour of governments in the developing world drawing on historical and anthropological insights game theory and his own field research in developing nations **Comparative political economy**, 2017 The Political Economy of Development Norman T. Uphoff, Warren F. Ilchman, 2023-11-15 Ilchman and Uphoff believe that political science has failed in the past to meet its own standards of rigor and cogency and does not meet standards of usefulness and relevance set by others The Political Economy of Change attempts to remedy these shortcomings by expanding the limits of social science analysis to deal with problems of allocation and productivity in all spheres of public choice not just the economic sphere Ilchman and Uphoff

believe that political science has failed in the past to meet its own standards of rigor and cogency and does not meet standards of usefulness and relevance set by others The Political Economy of Change attempts to remedy these shortco

Comparative Politics Gabriel Abraham Almond,1966 **Encyclopedia of Government and Politics** Mary Hawkesworth,Maurice Kogan,2002-09-11 Provides a balanced comprehensive account of contemporary trends in world regional and nation state government and politics Captures the global changes both theoretical and factual of the past three decades to give an unprecedented overview of political science and political affairs Clearly and incisively written to meet the needs of students lecturers and practitioners at all levels Helpful bibliographies of new and classic material and suggestions for further reading Extensive index of Topics and People Provides a comprehensive introduction to both the theoretical and practical issues of government and politics It will be an essential purchase for libraries with in depth collections in these areas Reference Reviews This up to date and well executed work provides a sound introduction to all aspects of political study Choice This is a work of immense scholarship and usefulness Political Studies In addition to copious citations to the research literature there are brief bibliographies listing major works for further reading at the conclusion of each article This up to date and well executed work provides a sound introduction to all aspects of political study SUNY College at Purchase

China's Political Economy In The Xi Jinping Epoch: Domestic And Global Dimensions Lowell Dittmer,2021-03-17 This book takes a fresh look at Chinese political economy at a key inflection point Facing a more competitive international environment Chinese reform has shifted from its earlier focus on economic liberalization and political decentralization to a more tightly organized centralized form of state socialism The Party state s vigorous fiscal reaction to the Global Financial Crisis 2008 2009 left the country with a much improved infrastructure and greater sense of national self assurance The more monocratic central leadership has redoubled efforts to fight poverty and pollution push technological innovation and at the same time rigorously enforce ideological consensus political loyalty and anticorruption This has been occurring in an international context of slowing trade and nationalist pushback against globalization prominently including bilateral Chinese American polarization While China has been among the staunchest advocates and beneficiaries of globalization incipient trade war decoupling has spurred movement toward economic and technological self reliance Turning inward however vies with a rival impulse toward more vigorous engagement in the world This is most consequentially represented by the Belt and Road Initiative driving massive infrastructure construction through Central Asia and the South and Southeast Asian maritime periphery Despite slowing growth and a large debt overhang swift recovery from the Covid 19 epidemic leaves China in a relatively strong economic position *The Comparative Political Economy of Development* Barbara Harriss-White,Judith Heyer,2009-12-21 Illustrates the enduring relevance and vitality of the comparative political economy of development approach and presents the relation between theory and empirical material in an interactive way This title offers an explanation of what is happening in the continent of Africa and the sub continent of South Asia **Public Management**

and Sustainable Development in Nigeria Robert Dibia, 2018-02-06 This title was first published in 2003 How was public policy and economic development in Nigeria affected under the period of military control between 1966 and 1999 What is the nature and scale of change that Nigeria will have to undergo in order to achieve its current development goals Initially providing a history of Nigeria along with a framework for understanding the nature scope and magnitude of the military and public management problems within the country this timely and rewarding book addresses both of these questions It analyzes the institutions that make and implement public policy in the Nigerian political arena and examines the route that Nigeria could take in order to enhance its public management capacities Although the specific focus is on Nigeria the mode of analysis used is transferable to a wide variety of developing nations The book will foster an understanding among scholars development planners military officers and policy makers of the tasks and challenges facing Nigeria and many sub Saharan African nations in the twenty first century

Democratic Development in East Asia Becky Shelley, 2004-12-17 This book presents a coherent and comprehensive analysis of the international dimension of democratization in East Asia

The Oxford Companion to Politics of the World Joel Krieger, Margaret E. Crahan, 2001-08-02 The world has seen dramatic changes since the publication of the first edition of The Oxford Companion to Politics of the World in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schröder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays on critical issues written by influential figures Recognizing the importance of including varying viewpoints the editors have commissioned these essays to provide an informed and often passionate debate on controversial topics Discussions include Lani Guinier and Glenn Loury on Affirmative Action Francis Fukuyama and Milton Fisk on the Limits of Liberal Democracy and Lloyd Axworthy and John Bolton on the United Nations The contributors discuss nearly every nation in the world including extensive information on institutions political parties leaders and the sources of political mobilization and conflict The volume also includes biographies of more than seventy five political leaders and thinkers who have shaped the contemporary political world Articles include detailed discussions of critical historical developments and events concepts

international law and organizations The Oxford Companion to Politics of the World Second Edition is an accessible timely thought provoking and comprehensive reference that captures the complexity and vitality of contemporary world affairs

Understanding Third World Politics Brian Clive Smith, 2003 Praise for the first edition this masterful and concise volume overviews the range of approaches social scientists have applied to explain events in the Third World Journal of Developing Areas Understanding Third World Politics is a comprehensive critical introduction to political development and comparative politics in the non Western world today Beginning with an assessment of the shared factors that seem to determine underdevelopment B C Smith introduces the major theories of development development theory modernization theory neo colonialism and dependency theory and examines the role and character of key political organizations political parties and the military in determining the fate of developing nations This new edition gives special attention to the problems and challenges faced by developing nations as they become democratic states by addressing questions of political legitimacy consensus building religion ethnicity and class *International Journal of Political Economy*, 1974 New Directions In Comparative Politics Douglas A. Chalmers, 1991-03-17 **Comparative Political Economy** Jan-Erik Lane, Svante O. Ersson, 1990 *Development Theory and the Three Worlds* Björn Hettne, 1995 Provides a stimulating and substantive intellectual history of social science and development theories helping towards an understanding of development theory and development problems in the three worlds Describes early primarily European theories on development and how they were enriched challenged and transformed in response to Third World realities It moves on to discuss how this body of theory Marxist and non Marxist has become increasingly relevant for understanding structural development problems which are occurring in the rich world and the relationships between development theory and the mainstream social sciences

Comparative Political Economy of East and South Asia R. Mascarenhas, 1999-02-17 In this study of the Comparative Political Economy of East and South Asia the author adopts an interdisciplinary perspective on Third World development thus recognising the importance of the interrelationships between the economy and the society and emphasising the need to direct attention to political institutional and historical factors *International Political Economy* Kendall W. Stiles, Tsuneo Akaha, 1991 **The Journal of Political Economy**, 1911 Deals with research and scholarship in economic theory Presents analytical interpretive and empirical studies in the areas of monetary theory fiscal policy labor economics planning and development micro and macroeconomic theory international trade and finance and industrial organization Also covers interdisciplinary fields such as history of economic thought and social economics
