Did you know that you are a part of at least one of them? The 3Rs that every great content piece has. How aspiring creators and small and medium sized businesses have the highest leverage in this upcoming multibillion dollar economy. What the world's top voices in the Creator Economy have to say about the future of AI and emerging technologies. And much more. **Reader's Guide to American History** Peter J.

Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students, teachers, scholars and librarians often need help and advice on how to find what they want. The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography. Each of the 600 entries on topics in political, social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs. The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors, all scholars of American history. [The Publishing Business](#) Kelvin Smith, Melanie Ramdarshan Bold, 2024-01-11 Are you considering a career in the world of publishing or simply want to understand more about the industry? If so, *The Publishing Business* will take you through the essential publishing activities performed in editorial, rights, design, production, sales and marketing departments. International examples from across the industry, from children's books to academic monographs, demonstrate key responsibilities at each stage of the publishing process and how the industry is adapting to digital culture. This 3rd edition has been updated with more on the role of self-publishing, independent publishers, audio books, the rise of poetry and non-fiction, and how the industry is facing up to challenges of sustainability, inclusivity and diversity.
