Worn Out Alyssa Hardy, 2022-09-27 With years of expertise in the fashion industry, Alyssa's reporting is consistently deep and thoughtful, and her work on sustainability and ethics has changed how I view the clothes I wear. *Worn Out* features director at Teen Vogue, an insider's look at how the rise of fast fashion obstructs ethical shopping and fuels the abuse and neglect of garment workers. Ours is the era of fast fashion, a time of cheap and constantly changing styles for consumers of every stripe, with new clothing hitting the racks every season as social media-fueled tastes shift. *Worn Out* examines the underside of our historic clothing binge and the fashion industry's fall from grace. Former *InStyle* senior news editor and seasoned journalist Alyssa Hardy's riveting work explores the lives of the millions of garment workers, mostly women of color, who toil in the fashion industry around the world, from LA-based sweatshop employees who experience sexual abuse while stitching clothes for H&M, Fashion Nova, and Levi's to homeworkers in Indonesia who are unknowingly given carcinogenic materials to work with. *Worn Out* exposes the complicity of celebrities whose endorsements obscure the exploitation behind marquee brands and also includes interviews with designers such as Mara Hoffman whose business models are based on ethical production standards. Like many of us, Hardy believes in the personal, political, and cultural place fashion has in our lives, from seed to sew to closet, and that it is still okay to indulge in its glitz and glamour. But the time has come, she argues, to force real change on an industry that prefers to keep its dark side behind the runway curtain. The perfect book for people who are passionate about clothing and style, *Worn Out* seeks to engage in a real conversation about who gets harmed by fast fashion and offers meaningful solutions for change.

According to the information presented on the website BusinessOfApps.com, the number of active TikTok users topped 1.2 billion in the month of March 2022. Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close, and 2022 began. TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format, which is quite popular, particularly among younger people. This format has gained a lot of traction in recent years. Getting the marketing plan for your TikTok channel just right is not a simple feat. On TikTok, numerous companies have wasted their time and resources attempting to sell their brands' products and services. If
