[Paradigm Lost](#) Vicki J. Sapp,2024-10-01 Technology has taken over higher education and we not only allow but also encourage this From Google to ChatGPT technology threatens to sweep students into dependency and undermine their critical thinking and communication skills not to mention their autonomy and story Prof Sapp helps educators students parents and the broader public to see the dangers and recognize possible remedies in the effort to keep education human centered and the guardian of individual and cultural literacy and freedom In her work Prof Sapp chronicles and critiques the efforts of educators and students to cross the Digital Divide from print to digital paradigms She especially reaches out to the mentors the gatekeepers of education to ask hard questions and find positive pathways even as we hand over our classrooms to technology The author draws heavily from her own experience crossing the divide she brings in scholarship literature review literary analysis her students perspectives and even fiction to cover the layers and argument angles of this major paradigm shift Prof Sapp acknowledges the importance of new digital literacies and provides practical suggestions and constructive techniques describing classroom exercises she has found to work well engaging students and navigating the challenges as devices invade the classroom and the medium indeed becomes the message

Heavy Debt Lifts Amelia Green,AI,2025-02-27 Heavy Debt Lifts offers a practical guide to achieving financial freedom through a combination of strategic budgeting and

income augmentation via side hustles It emphasizes that while budgeting is essential for debt reduction it might not be enough on its own similarly side work without a budget can lead to continued financial stagnation The book argues that conscious spending aligned with personal values coupled with diverse income streams is the key to escaping debt The approach begins by dispelling budgeting misconceptions showcasing it as a tool for conscious spending rather than deprivation Heavy Debt Lifts then explores various side hustles helping readers identify opportunities based on their skills and interests The book examines strategies for maximizing earnings and addresses important factors like time management and tax implications Structured in three parts the book progresses from core concepts of budgeting and debt management to exploring the world of side hustles culminating in a step by step plan for creating a personalized debt reduction roadmap This approach ensures that readers gain a comprehensive understanding of how to combine rigorous budgeting with strategic side work ultimately empowering them to take control of their financial future and achieve lasting financial security
