Advance SEO Shubham Sarda, 2019. Learn these SEO tools: Ahref, Alexa, WordAI, Article Forge, and more. Keep an eye on your competitors' SEO strategies and rank high. About This Video: Master all working SEO tools along with SEO progress and workflows. Perform site audits like a pro. In Detail: Welcome to Advance SEO Masterclass. This course is designed as an introduction to popular SEO tools. These are standard industry tools, and learning how to use them will help you to run better and more efficient marketing campaigns. Students will also learn to keep an eye on competitors in terms of link building, keyword research, site audits, bounce rate, tracking visitors, and more. This is an important source for website owners, content marketers, and bloggers researching new content ideas. Tools covered include Ahref, Alexa, WordAi, Article Forge, Snov Hunter, Article Builder, and lots more. Students learn about in-depth keyword research within the course. This is key to finding content opportunities that are both valuable to websites in terms of search volume and not too difficult to rank. Students will learn how to view keywords their competitors use in search engines. You will also learn how valuable the market believes those keywords are by seeing estimated cost per click information. Traffic metrics are included as well. Students go on to learn how to use Ahref and Alexa to analyze their competitors. This information can inspire students to target similar keywords. Students with similar competing products and businesses that target similar keywords may therefore hope to achieve similar results. This is particularly useful when a new entrant to an industry competes against a large business with millions of dollars to spend on various marketing strategies. However, competitors of all sizes can provide enormously valuable information. By figuring out the secrets behind their competitors' marketing success, students can attempt to compete on a more level playing field. We also provide updates, quizzes, assignments, and important career stuff. This course was designed after the author had completed over 2,000 SEO projects along with his team. The author takes you to each topic in a connected way so you can relate to each topic and its importance. We start with Ahref and connect all topics in the right sequence. After completing this course, you will be industry level ready to work as an intern, fresher, or freelancer, and you will also be able to implement everything on your website itself.
