Gilroy-Ware,2020-11-10 Why do we no longer trust facts experts and statistics In this essential guide to the turbulent times in which we live Marcus Gilroy Ware investigates our era of post truths and fake news and answers the question of where we can go from here We are supposed to have more information at our disposal now than at any time in history So why in a world of rising sea levels populist leaders resurgent fascism and a global pandemic do so many people believe bizarre and untrue things about the world we live in In After the Fact Marcus Gilroy Ware shows us what really created the conditions for

mis and disinformation from fake news and conspiracy theories to bullshit journalism and the resurgence of the far right and why liberal newspaper columnists and centrist politicians are unable to turn back this tide Spanning politics culture psychology journalism and much more After the Fact is a timely wake up call for those who believe we can simply go back to normal and instead argues that if we are to put an end to fake news we must deal with the broader social crises that are responsible for it AI Tools for Beginners ND.
