Microsoft SharePoint 2013 Disaster Recovery Guide Peter Ward, Peter Abreu, Pavlo Andrushkiw, Pat Esposito, Jeff Gellman, Joel Plaut, 2013-09-25 The style and approach of the book is an easy to read SharePoint admin guide This is not a step by step instruction book but rather a guide on how to implement and execute a disaster recovery plan to your SharePoint environment This book is great for both SharePoint and SQL administrators new to the SharePoint 2013 architecture and who are looking to get a good grounding in how to use implement a solid disaster recovery plan It is assumed that you have some experience in SharePoint and Windows Server and as well be familiar with SQL

Building Tomorrow's Biomedical Workforce: Evaluation of How Evidence-Based Training Programs Align Skill Development and Career Awareness with a Broad Array of Professions Adriana Bankston, Rebekah L. Layton, Audra Van Wart, 2025-08-27 Building the future STEM workforce requires robust federal investments to support the next generation of innovators as well as systemic changes to enable graduate and postdoctoral researchers to transition with confidence into the biomedical workforce This effort involves the transformation of the biomedical research enterprise and training environment at all levels but especially at the predoctoral and postdoctoral levels Innovative initiatives in education and training as well as career and professional development of biomedical trainees are necessary to build upon the robust biomedical workforce of today and create and sustain a diverse innovative and highly trained biomedical workforce of tomorrow An important aspect of supporting the biomedical workforce relates to changes within training and the research enterprise with opportunities for re imagining what STEM education should look like at different levels including providing agency for junior scientists in the field The future of the field should focus on inclusivity supporting trainees from different backgrounds and with diverse perspectives including but not limited to intersectional identities in race ethnicity gender sexual orientation first generation status and international talent in STEM This requires critical policy changes in order to support the transition of biomedical research professionals into the labor market
