*Communication, Trust and Collaboration from Anywhere!* Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation, and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms, including email, mobile devices, web-based conferencing tools, and social media sites such as Facebook, Twitter, and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication, and use technology to enhance the team's connections. 20 Day Virtual Team Building Challenge Audrey B. Carmela, 2020-09-09 Work from home. Virtual meetings. Do you want a bond with your work-from-home team but don't know how to start? So you start to search on the internet: corporate team building games, games for work, meetings, meeting games for work, team building game for work. If that sounds like you, search no further. This book is here to help you get your virtual team members to communicate, interact, and have even more fun as though they were still in the same place. Starting this year, more and more companies and organizations are shifting the workplace to home. Why not? We can complete all sorts of tasks, communications, and even meetings online. And it's not something strange when we send emails to another colleague sitting ten feet away, even back in the office. How can this book help me? The truth is, technology has forever changed the way we interact and work with each other. We realized digital workplaces could encourage quicker decision making and reduce pressures. However, the lack of face-to-face interaction can also have adverse effects on confidence, innovation, and creativity among team members. But no need to worry: this team building kit will get you covered. From the first half of this book, you will learn everything necessary about how to be a good virtual leader and in what ways you can make your team from good to excellent. Then we have 20 simple but super-funny virtual team building games prepared for you. The first ten of them will get you started fast and make some laughs in your team. The last ten activities can be both funny and constructive to help your organization grow with a lot of fun. What major takeaways can I get from this book? No matter how busy or occupied you are, you will always find it is easy and funny to do them, literally just through your screen. They will help you develop collaborative, connected, and productive virtual teams across all digital platforms. Here are what you can expect from this book: Be aware of what it takes to make you a great virtual team leader. How to build a collaborative culture in your virtual team.
