Julio Vincent Gambuto,2024-07-30 Atomic Habits meets The Subtle Art of Not Giving a F ck in this life changing guide to freeing yourself from the behaviors values and relationships that keep you from being happy When the pandemic brought the world to a standstill author Julio Vincent Gambuto realized a powerful truth in the pre pandemic world Americans were exhausted lonely unhappy wildly overworked and overbooked drowning in sea of constantly being on the go and needing to buy more more more But when that pressure disappeared people rediscovered what was important to them They quit jobs that made them unhappy and moved their families to suburbs Simple things like outdoor walks replaced gym memberships home cooking and backyard gardens replaced takeout less commuting meant more time for family and creative projects and for perhaps the first time in a long time people were being honest Honest about what they wanted what they believed in Honest about the problems they were facing within their families friend groups workplaces towns and society overall That honesty he noticed had the potential to make the ground shift It created a capacity for change But he also knew that it likely wouldn't last because the most powerful forces running our world would not allow it to They wanted control over our clicks our conversations our dollars our work our votes our lives The only way that we could beat those systems would be to resist the calls to keep moving and to go back to normal In order to change we had to unsubscribe Now in Please Unsubscribe Thanks Gambuto gives us a radical blueprint for the ways we can take a deep breath renew and commit to a life that we really want individually and collectively from unsubscribing to emails and automated subscriptions to reevaluating the presence of people and ideas and habits that no longer serve us or make us happy Infused with the practical advice in James Clear's Atomic Habits and the humor of Sarah Knight's The Life Changing Magic of Not Giving a F ck this groundbreaking guide helps us focus on where we find joy in our lives and encourages us to toss out what doesn't bring us joy in this modern world *We Can Teach That* Ewa Dziedzic-Elliott,2024-11-28 Information literacy is a complex subject that finally arrived at

the doorstep of school libraries For decades academic researchers have been trying to capture the essence of information literacy its educational cognitive and civic value The collection of book chapters offered in *We Can Teach That* is a handbook that can be used as an inspiration for teaching various types of literacy visual digital multicultural health and more The book asks important questions When do we start teaching information literacy How do we teach it How does it affect our students at their education level How does it prepare them for their post high school adult life Does it impact their transition to college or career Dziedzic Elliott and her collaborators provide a range of best practices and concepts that inspire thinking about teaching information literacy at all levels Although written with school librarians in mind the book can be easily adapted by teachers school administrators and even public librarians who are looking to incorporate information literacy elements in their daily practices The book challenges the reader to rethink what they know about digital or tech literacy breaks some stereotypical concepts about multicultural literacy and highlights the importance of literacies even in adulthood
