## Deflationism And Paradox:

Deflationism and Paradox JC Beall, Bradley Armour-Garb, 2005-11-10 Deflationist accounts of truth are widely held in contemporary philosophy they seek to show that truth is a dispensable concept with no metaphysical depth However logical paradoxes present problems for deflationists which their work has struggled to overcome In this volume of fourteen original essays a distinguished team of contributors explore the extent to which if at all deflationism can accommodate paradox The volume will be of interest to philosophers of logic philosophers of language and anyone working on truth *The Deflationary Approach to Truth* Bradley Armour-Garb, James A. Woodbridge, 2025 This book presents a detailed up to date and historically informed survey and critical explication of the deflationary approach to the topic of truth It is divided into three parts Part 1 explains what deflationism about truth involves and develops a useful framework that clarifies how this approach differs from the traditional inflationary approach The framework illuminates certain general deflationary themes in terms of what we call broad four dimensional deflationism which comprises four different dimensions that any deflationary account must satisfy We first examine the degree to which each of these dimensions is displayed in early proto deflationary accounts We then while explaining the details and historical development of the different contemporary species of deflationism assess the degree to which each version of them adheres to the deflationary dimensions in addition to clarifying how each species differs from inflationism and how they all differ from one another *Transparent Minds* Jordi Fernández, 2013-02-07 How do we know our current states of mind what we want and believe in Jordi Fernández proposes a new theory of self knowledge challenging the traditional view that it is a matter of introspection He argues that we know what we believe and desire by looking outward towards the states of affairs which those beliefs and desires are about **The Philosopher's Index**, 2009 Vols for 1969 include a section of abstracts **Substantivism and Deflationism in the Theory of Truth** Marian Alexander David, 1990 Truth as a Pretense James A.
