Sun City Bret McKeand, 2011 Sun City Arizona the nation's first master planned active adult retirement community reinvented the definition of retirement living when it opened its doors in 1960 Located 14 miles northwest of Phoenix this community was cultivated from the dusty desert cotton fields once known as Marinette Ranch Developed by master builder Del E Webb Sun City combined affordable housing with recreational amenities to create a lifestyle designed to rejuvenate the body and keep the mind and spirit feeling forever young Sun City's success gave birth to an entirely new industry catering to older Americans The famous Sun City Lifestyle remains as popular today as it was in 1960 **Stumbling Around the**

Bases Andy McCue, 2022-04 From the late 1950s to the 1980s baseball's American League mismanaged integration and expansion allowing the National League to forge ahead in attendance and prestige While both leagues had executive structures that presented few barriers to individual team owners acting purely in their own interests it was the American League that succumbed to infighting which ultimately led to its disappearance into what we now call Major League Baseball Stumbling around the Bases is the story of how the American League fell into such a disastrous state struggling for decades to escape its nadir and when it finally righted itself losing its independence The American League's trip to the bottom involved bad decisions by both individual teams and their owners The key elements were a glacial approach to integration the choice of underfinanced or disruptive new owners and a consistent inability to choose the better markets among cities that were available for expansion The American League wound up with less attractive teams in the smaller markets compared to the National League and thus fewer consumers of tickets parking beer hot dogs scorecards and replica jerseys The errors of the American League owners were rooted in missed cultural and demographic shifts and exacerbated by reactive decisions that hurt as much as helped their interests Though the owners were men who were notably successful in their non baseball business ventures success in insurance pizza food processing and real estate development didn't necessarily translate into running a flourishing baseball league In the end the National League was simply better at recognizing its collective interests screening its owners and recognizing the markets that had long term potential *Las Vegas* Thomas Ainlay, Judy Dixon Gabaldon, 2003 Whether known as The Entertainment Capital of the World or Sin City Glitter Gulch or even Lost Wages Nevada the dazzling city of Las Vegas has undergone incredible transformation from ancient watering hole to Mormon fort from whistle stop to mob run profit center to become the fastest growing urban community in the nation Home to nearly 1.5 million residents a melting pot of races and cultures this great metropolis boasts a thrilling history of vices and virtues but above all a steadfast and uncompromising spirit *English Mechanic and Mirror of Science and Art*, 1922 **Resort City In The Sunbelt, Second Edition** Eugene P. Moehring, 2000 2005 is Las Vegas centennial year This book updated to take account of the dramatic changes that have taken place in the city since the 1970s sheds light not only on the history of the city but also provides insight into its future Second Decennial Edition of the
