Democracy Classical Greece 2nd Edition:

Democracy and Classical Greece John Kenyon Davies, 1993 The art of classical Greece and its political and philosophical ideas have had a profound influence on Western civilization It was in the fifth and fourth centuries B C that this Greek culture material political and intellectual reached its zenith At the same time the Greek states were at their most powerful and quarrelsome J K Davies traces the flowering of this extraordinary society drawing on a wealth of documentary material houses and graves extant sculpture and vases as well as the writings of historians orators biographers dramatists and philosophers The Armies of Classical Greece Everett L. Wheeler, 2017-05-15 The origin of the Western military tradition

in Greece 750 362 BC is fraught with controversies such as the date and nature of the phalanx the role of agricultural destruction and the existence of rules and ritualistic practices This volume collects papers significant for specific points in debates or theoretical value in shaping and critiquing controversial viewpoints An introduction offers a critical analysis of recent trends in ancient military history and provides a bibliographical essay contextualizing the papers within the framework of debates with a guide to further reading *Black Theology—Essays on Global Perspectives* Dwight N. Hopkins, 2017-06-15 Since its start in 1966 black liberation theology in the United States has continually engaged international developments with Africa and the entire world But after Nelson Mandela was released from prison in February 1990 there has been an almost twenty year break in books on black theology and international affairs Black Theology Essays on Global Perspectives bridges that post 1990 gap and makes a vital contact with Africa again This book conceptualizes black theology to take on the global reconfigurations and opportunities brought about by the rapidly shrinking earth of fast paced worldwide contacts In other words in the specificity of the genealogy of black theology we need to reforge ties with Africa This claim is based on tradition And in the generality of the larger worldwide intertwining of technologies and economics we need a new type of black theological leadership for the twenty first century This claim is based on today s international challenges The essays in this book draw on tradition and point forward in the midst of today s worldwide challenges and favorable possibilities given the closeness of all nations and the varieties of cultures **Creators, Conquerors, and**
