**Man Up** Cynthia Miller-Idriss, 2025-09-16 The revelatory and urgent story of how an explosion of misogyny is driving a surge of mass and far right violence throughout the West from an internationally recognized extremism expert and media commentator What two things do most mass shooters terrorists or violent extremists have in common Most of us know the first they are almost always men or boys But the second They are almost always virulent misogynists homophobes or transphobes even if they are also motivated by racism antisemitism or xenophobia The antigovernment militiamen charged with plotting to kidnap and execute Michigan governor Gretchen Whitmer used language saturated with misogyny with one telling an FBI informant Just grab the bitch The men who killed scores at Virginia Tech the Pulse nightclub and a Maryland newsroom all had prior reports of stalking domestic violence or harassment of women And in dozens of other incidents from North America to Norway to New Zealand an increasing number of misogynist incel involuntary celibate and male supremacist attackers have explicitly targeted and killed women blaming feminism or sexual frustration with women as motivation for their attacks Yet despite all evidence the bright red thread of misogyny running through these attacks is barely acknowledged by the media or even experts and this failing leaves us powerless to stop the violence In **Man Up** Cynthia Miller Idriss a leading expert on extremism addresses this crucial oversight head on revealing how an epidemic of misogyny both online and off and a patriarchal backlash are driving an exponential rise in mass and far right violence She also offers essential strategies that all of us including parents teachers and counselors can use to fight the rising tide of violence beginning with recognizing the misogyny that pervades our everyday lives

**Deconstructing Woke Brainrot** Conrad Riker, 2025-01-01 Your Mind Is Under Attack And You're Not Even Aware Are you tired of feeling like the world is rigged against men Do you see masculinity being mocked while weakness is praised and wonder how we got here Have you been punished for speaking up only to watch ideology replace truth This book is not just another rant It's a full spectrum dismantling of the forces eroding men's minds identities and futures Exposes how TikTok and Chinese tech are rewiring male attention spans and values Reveals the hidden Marxist roots of modern feminism and gender ideology Shows how evolutionary biology proves traditional roles aren't oppression they're survival Presents irrefutable data on male female differences that cancel culture refuses to acknowledge Uncovers real cases where men were destroyed by false accusations and ideological bias Documents how schools media and corporations are weaponizing inclusion to erase men Proves that gender fluidity harms children and benefits ideological extremists Equips you with logic facts and courage to reject social engineering and reclaim your mind If you want to break free from brain rot resist ideological control and stand firm as a man in a collapsing culture buy this book today

**Popular Photography**, 1964-07 **Museum Flack** Steve Lott, 2025-09-04 In recent years museums have found themselves on the front pages for all the wrong reasons News coverage once reserved for exciting exhibits or landmark donations now shines a harsh spotlight on controversies leadership disputes funding flaws

political orders and an array of reputational crises Two thirds of museum leaders report feeling unprepared when facing journalists with many describing their first media crisis as overwhelming and damaging These stories broadcast to national audiences shape public perceptions in minutes sometimes undoing years of careful work The heart of the issue lies in a critical and often overlooked gap while museum directors typically master museum administration curatorial or educational work few possess the training or experience needed to respond to relentless media scrutiny Nearly every museum from the largest institution to local history centers struggles with limited resources This gap has led to missed opportunities for positive news coverage and in some cases public misunderstandings that have hurt careers and endangered institutional trust Museum Flack arrives at this moment to fill the void an essential guide for everyone from students entering the field to seasoned executives and board members Drawing from lessons earned in high stakes media campaigns in aerospace and technology and enriched by illuminating museum specific case studies this book lays out exactly how museum professionals can Shape compelling narratives for the media Turn crisis moments into opportunities for trust building Secure positive national news coverage with thoughtful planning not enormous budgets Confidently navigate the modern media landscape from newspapers to TikTok Museum Flack unpacks the techniques behind headlines and empowers any museum professional to advocate for their institution safeguard its reputation and seize the media spotlight for all the right reasons Every chapter offers step by step tactics and real world examples transforming complex communications challenges into clear actionable strategies The time to master museum public relations is now Readers who embrace these lessons will champion their institutions protect their legacies and help museums thrive even under the sharpest media lens
