Defining and Designing Multiculturalism Pepi Leistyna, 2002-11-07 An activist group works to bring a multicultural education program to an urban public school system

What Was Multiculturalism? Vijay Mishra, 2012-01-02 What Was Multiculturalism is a timely account of a socio political theory that has featured in public debate in the West for the past forty years The book is both a compendium as well as a critique of multicultural theory in its diverse forms from the politics of recognition consensus tolerance and the need for an inclusive community to questions about the moral order the invasive force of religious absolutism and the spectres of racism injustice and scapegoating Through a series of critical reflections Mishra offers a detached honest bold and uncompromised reading of some of the most influential texts on multiculturalism with a view to establishing the historical moments in the field

Curriculum and Teaching Dialogue David J. Flinders, P. Bruce Uhrmacher, Christy M. Moroye, 2014-08-01 Curriculum and Teaching Dialogue CTD is a publication of the American Association of Teaching and Curriculum AATC a national learned society for the scholarly fields of teaching and curriculum The fields includes those working on the theory design and evaluation of educational programs at large University faculty members identified with this field are typically affiliated with the departments of curriculum and instruction teacher education educational foundations elementary education secondary education and higher education CTD promotes all analytical and interpretive approaches that are appropriate for the scholarly study of teaching and curriculum In fulfillment of this mission CTD addresses a range of issues across the broad fields of educational research and policy for all grade levels and types of educational programs

Internationalizing Teacher Education in the United States Beverly D. Shaklee, Supriya Baily, 2012-03-08 As countries become increasingly interdependent student populations in the United States are becoming more culturally diverse These students transnational perspectives present significant challenges to teachers but a disconnect exists between the skills teachers need and those provided to them by colleges of education As teacher preparation programs continue to cater to historic models of diversity the programs show a glaring lack of recognition for the recent changes in school and community populations

Internationalizing Teacher Education in the United States examines the impact of globalization on teacher education in the United States explains the current barriers to teacher education becoming more internationally minded and presents possible solutions for teacher education programs to consider Other books address the multi national challenges faced by American education in the 21st century but this book takes it one step further offering teacher educators practical and theoretical explorations of their vital role in the education of contemporary student populations in the United States
