Abrahamsson, Andreas Jedlitschka, Anh Nguyen Duc, Michael Felderer, Sousuke Amasaki, Tommi Mikkonen, 2016-11-15 This book constitutes the proceedings of the 17th International Conference on Product Focused Software Process Improvement PROFES 2016 held in Trondheim Norway in November 2016 The 24 revised full papers presented together with 21 short papers 1 keynote 3 invited papers 5 workshop papers 2 doctoral symposium papers and 6 tutorials were carefully reviewed and selected from 82 submissions The papers are organized in topical sections on Early Phases in Software Engineering Organizational Models Architecture Methods and Tools Verification and Validation Process Improvement Speed and Agility in System Engineering Requirements and Quality Process and Repository Mining Business Value and Benefits Emerging Research Topics and Future of Computing *The Marriage Clinic* John M. Gottman, 2016-12-19 *The Marriage Clinic* presents a complete marital therapy program based on John Gottman's much heralded research on marital success and

failure Here one will find not only a wide range of succinct and useful assessment procedures but also a highly specific research based and modularized treatment program In addition there are dozens of questionnaires and interview protocols to be used in both assessment and intervention In prospective long term research with over 700 couples Gottman has discovered certain factors that distinguish happy stable couples from both unstable ultimately divorcing couples and stable but unhappy couples These findings which are explained here in understandable nontechnical language form the basis of his Sound Marital House theory of marriage which guides the new therapy This therapy has two goals changing the marital friendship and teaching couples to regulate conflict Despite the high aims of much marital therapy Gottman found that most marital conflicts involve fundamentally unresolvable relationship issues called perpetual problems He shows how therapists can help spouses move from gridlock to dialogue on these issues Solvable problems can be resolved more easily when the couple has a strong marital friendship He gives therapists the tools to teach spouses five fundamental skills to develop and strengthen their friendship softened start up accepting influence repair and de escalation compromise and physiological soothing Gottman compares his clinic to a restaurant where clients are offered a menu of treatment formats from psychoeducation for specific issues to extended therapy to repair a badly damaged marital friendship Therapists too can choose among the questionnaires and strategies for those that fit the needs of particular couples Whatever their choice they will find that their practice is greatly enriched by the scientifically based offerings of The Marriage Clinic

Epiphanies: Insights for Everyday Life Tiffany N. Anderson, 2010-03-20 An epiphany is a sudden intuitive perception of or insight into the essential meaning of something usually initiated by some simple or commonplace occurrence What greater epiphany than to see the hand and power of God present in our everyday lives and situations Epiphanies Insights for Everyday Life is a journey through the commonplace of life s highs and lows seen through eyes of spiritual perception Allow God to give you insight into your life as He guides you to your destiny through a series of epiphanies I encourage you to take a few moments and read the beautiful writings of a special friend of mine Miss Tiffany Anderson In times like these words become more delicate and friendships seem rare but we can find a place of true solitude in just giving ourselves an intimate place to become involved mentally and spiritually with God through words penned by this gifted new writer Enjoy Nancy Harmon of Nancy Harmon Ministries Minister Tiffany Anderson a phenomenal teacher student of the Word and servant of Almighty God pens this wonderful work entitled Epiphanies Insights for Everyday Life It is exciting to see what began as a daily encourager for friends transform into a book of revelation to the nations She articulates necessary truths that have the potential to transform the lives of every reader The concepts are presented with such clarity that it makes it easy to comprehend and apply to one s life It is my pleasure and honor to recommend this relevant work I pray that it will be a blessing to your everyday life as it has been to mine Pastor Rueben Speight Greater Destiny International Ministries Sometimes the big lessons in life flow from the smallest moments Such is the case with Tiffany Anderson s book It takes big ideas and applies

them to life's ordinary everyday situations. She reflects on things around her and the most eternal lessons come into view. Dr Paul Conn, President, Lee University.

Developing a Quality Curriculum Allan A. Glatthorn, 1994. This book is a guide to both understanding and practicing sound curriculum development.

Definitely Maybe Arkady Strugatsky, Strugatsky Boris, 2014-02-04. In its first ever unexpurgated edition, a sci-fi landmark that's a comic and suspenseful tour de force and puts distraction in a whole new light. It's not you, it's the universe. Boris and Arkady Strugatsky were the greatest science fiction writers of the Soviet era; their books were intellectually provocative and riotously funny, full of boldly imagined scenarios and veiled but clear social criticism. Which may be why *Definitely Maybe* has never before been available in an uncensored edition, let alone in English. It tells the story of astrophysicist Dmitri Malianov, who has sent his wife and son off to her mother's house in Odessa so that he can work free from distractions on the project he's sure will win him the Nobel Prize. But he'd have an easier time making progress if he wasn't being interrupted all the time. First it's the unexpected delivery of a crate of vodka and caviar. Then a beautiful young woman in an unnervingly short skirt shows up at his door. Then several of his friends, also scientists, drop by saying they all felt they were on the verge of a major discovery when they got distracted. Is there an ominous force that doesn't want knowledge to progress? Or could it be something more natural? In this nail-bitingly suspenseful book, the Strugatsky brothers bravely and brilliantly question authority, an authority that starts with crates of vodka but has lightning bolts in store for humans who refuse to be cowed.

Oasis' Definitely Maybe Alex Niven, 2014-05-08. Oasis's incendiary 1994 debut album *Definitely Maybe* managed to summarize almost the entire history of post-fifties guitar music, from Chuck Berry to My Bloody Valentine, in a way that seemed effortless. But this remarkable album was also a social document that came closer to narrating the collective hopes and dreams of a people than any other record of the last quarter century. In a Britain that had just undergone the most damaging period of social upheaval in a century under the Thatcher government, Noel Gallagher ventriloquized slogans of burning communitarian optimism through the mouth of his brother Liam, and the playing of the other Oasis everymen, Paul McGuigan, Paul Arthurs, and Tony McCarroll. On *Definitely Maybe*, Oasis communicated a timeworn message of idealism and hope against the odds, but one that had special resonance in a society where the widening gap between high and low demanded a newly superhuman kind of leaping. Alex Niven charts the astonishing rise of Oasis in the mid-1990s and celebrates the life-affirming communal force of songs such as *Live Forever*, *Supersonic*, and *Cigarettes & Alcohol*. In doing so, he seeks to reposition Oasis in relation to their Britpop peers and explore one of the most controversial pop-cultural narratives of the last thirty years.

Liber Memorialis Petar Šarčević, 2006. This vast collection of scholarly writings examines a wide range of legal topics, including, for example, European Private International Law of Obligations and Internal Market Legislation, A Matter of Coordination Balancing Sovereignty and Party Autonomy in Private International Law, Parenthood for Same Sex Couples, Challenges of Private International Law from a Scandinavian Perspective, The Use of Unpublished Opinions on Relocation Law by the California
