THE DELINQUENT SOLUTION

A Study in Subcultural Theory

DAVID M. DOWNES

Founded by **KARL MANNHEIM** *Edited by* **W. J. H. SPROTT**

Delinquent Solution A Study In Sub Cultural Theory

Richard A. Tewksbury, Patricia Gagné

Delinquent Solution A Study In Sub Cultural Theory:

The Delinquent Solution (Routledge Revivals) David Downes, 2013-10-30 First published in 1966 The Delinquent Solution presents a study of crime associated with the nature of subcultures The book discusses issues such as the concept and theory of subcultures the life of delinquent gangs and the English experience of delinquent subcultures It also takes an in depth look at the Stepney and Poplar survey on crime from 1960 analysing both statistical data and more informal observations Although the book was written over forty years ago the issues discussed remain relevant and strong areas of interest The Delinquent Solution David M. Downes, 1966 Criminology Tim Newburn, 2017-02-22 Comprehensive and accessible Tim Newburn s bestselling Criminology provides an introduction to the fundamental themes concepts theories methods and events that underpin the subject and form the basis for all undergraduate degree courses and modules in Criminology and Criminal Justice This third edition includes A new chapter on politics reflecting the ever increasing coverage of political influence and decision making on criminology courses New and updated crime data and analysis of trends plus new content on recent events such as the Volkswagen scandal the latest developments on historic child abuse as well as extended coverage throughout of the English riots A fully revised and updated companion website including exam review and multiple choice questions a live Twitter feed from the author providing links to media and academic coverage of events related to the concepts covered in the book together with links to a dedicated textbook Facebook page Fully updated to reflect recent developments in the field and extensively illustrated this authoritative text written by a leading criminologist and experienced lecturer is essential reading for all students of Criminology and related fields Find online resources for both students and instructors at <https://routledgetextbooks.com/textbooks/9781138643130> *Theoretical Studies in Criminal Deviance* Hassim M. Solomon, 1981 'Subculture' as a theoretical problem in Cultural Studies Ausra Dvarionaitė, 2007-07-03 Seminar paper from the year 2007 in the subject English Language and Literature Studies Culture and Applied Geography grade 1.3 University of Rostock Anglistik Amerikanistik course HS Popular Culture Theory and Practice from c. 1850 to c. 1950 language English abstract Youth subcultures have always attracted a lot of attention both from the media and from academics It is not surprising because members of youth subcultures tend to be highly visible and often are responsible for moral panics Secondly youth cultures have been considered to be the product or epitome of social change or a barometer of future changes That is why in the twentieth century in the time of social economic and political changes youth became an object of sociological cultural and psychological analyses The concept of subculture has been an attractive model for explanation and analysis of youths individual and collective behaviours in sociology for a diversity of theoretical positions It is noticeable that every successive paradigm has tried to criticize or to show its dominance and authority over previous understandings The term subculture was initially used in 1950 s in the works of the Chicago School in the US to refer to the urban gangs In British subcultural theory has begun with the studies of sociologists who sought to explain delinquent behaviour of young

people and consistently relied on psychology and psychoanalysis But the most influential body of work is New Subcultural Theory that was created during the 1970 s by the researchers from the Centre for Contemporary Cultural Studies CCCS at Birmingham University It has been strongly criticized but is still considered to be the ground work on subcultures However according to Rupa Huq the term subculture has in many ways come of age There are a lot of academics that criticize the writings of the CCCS and have developed postmodern theories on subcultures They suggest new definitions and explanations of subcultures or even claim that the notion of subculture cannot be applied anymore to describe the culture of today s youth In this paper I will introduce some different strands of the subculture theory about youth during the twentieth century I will briefly introduce the theory of delinquency of American and British sociologists and then I will give an overview of the Cultural Studies approach from the University of Birmingham in the 1970 s and briefly indicate its weaknesses Then I will introduce the approach of the contemporary subcultural theory and explain the concepts of clubculture neo tribe and lifestyle which are considered to be alternative to the concept of subculture

Journal of Leisure Research ,1975 **Federal Probation** ,1967 *Public Health Service publication. no. 1947-48, 1950, 1969 ,1950** *Cultural Theory* Imre Szeman,Timothy Kaposy,2010-04-26

Cultural Theory An Anthology is a collection of the essential readings that have shaped and defined the field of contemporary cultural theory Features a historically diverse and methodologically concise collection of readings including rare essays such as Pierre Bourdieu s Forms of Capital 1986 Gilles Deleuze Postscript on Societies of Control 1992 and Fredric Jameson s Reification and Utopia in Mass Culture 1979 Offers a radical new approach to teaching and studying cultural theory with material arranged around the central areas of inquiry in contemporary cultural study the status and significance of culture itself power ideology temporality space and scale and subjectivity Section introductions designed to assist the student reader provide an overview of each piece explaining the context in which it was written and offering a brief intellectual biography of the author A large annotated bibliography of primary and secondary works for each author and topic promotes further research and discussion Features a useful glossary of critical terms

Unshared Care Caroline Glendinning,1983 The vast majority of the 100 000 or so children with serious mental or physical disabilities in Britain today live at home with their families A series of in depth interviews carried out with a number of parents enabled the author to describe the extensive physical practical and emotional demands made on those looking after their disabled child at home In their own words parents report how and when they learnt about their child s disability the sheer physical work and mental effort of daily care which more often than not fall unremittingly on the child s mother the feelings of isolation and the lack of information which are often relieved only by talking with parents of other disabled children Unshared Care examines the community services available revealing that from the parents point of view the rhetoric of public concern is only barely matched by the practical support available It shows that services are all too often insufficiently specialized and lacking in coherence

Phenomenology, Language and the Social Sciences Maurice Roche,1973 Books for College Libraries:

Index ,1975 *Reports* Institute of Community Studies,1957 Subject Catalog Library of Congress,1965 *Library of Congress Catalogs* Library of Congress,1970 **The Oxford Handbook of Criminology** Mike Maguire,Rodney Morgan,Robert Reiner,1994 This is the most comprehensive and detailed book about criminology ever published in the United Kingdom It is designed to be immediately accessible to those interested in criminology who seek a way of familiarising themselves with the study of crime and criminality **Document Retrieval Index** ,1973 **Population Theories and the Economic Interpretation** Sydney H. Coontz,1968 **Deviance and Deviants** Richard A. Tewksbury,Patricia Gagné,2000 I Substance use and abuse II Sexual deviations III Medicalized forms of deviance IV Intimate forms of violence V Deviant sports VI Deviance in occupations VII Deviant subcultures **Communities and Crime Reduction** Tim Hope,Margaret Shaw,1988
