Democratizing Globalization The Leverage Of The Tobin Tax:

Democratizing Globalization Heikki Patomäki, 2001 *The Calling of Global Responsibility* Ananta Kumar

Giri, 2023-03-03 This book rethinks and transforms the current discourse on globalization and global justice. It expands the idea of globalization from an economic or corporate context to mean humanization and planetary realizations moving beyond the boundaries of nation states and other human made demarcations. The author challenges the notion of human primacy and makes a fervent call to reconfigure the paradigm of anthropocentrism. Through a careful study of movements for justice and inter faith dialogue from across the world, the book makes a unique contribution to the emerging study of global responsibility. It also helps us overcome our current civilizational crises and cultivate a new civilization of planetary care and co responsibility. As part of the Ethics Human Rights and Global Political Thought series, the volume will be of great interest to scholars and researchers of law and society, especially social movements, political theory and philosophy. **Can**

Globalization Succeed? (The Big Idea Series) (The Big Idea Series) Dena Freeman, 2020-10-20 A lively examination of the effects of neoliberal globalization, its ability to adapt and its potential to survive the antiglobalization and nationalist backlash. The expansion of capitalism and neoliberal ideologies have delivered economic integration between countries and brought global inter connectedness to individuals. So why do so many people now feel that they are citizens of nowhere, disparaged by the cosmopolitan elites? Has democracy and the power of nation states been irredeemably weakened by unfettered global finance, opaque forms of global governance and the power of transnational corporations? Can the huge rise in social and economic inequality be reversed? Can diverse cultural expression be maintained in a globalizing world? In the context of the current nationalist backlash and the momentous impacts of the COVID 19 pandemic, this thought provoking volume considers whether globalization is dead or whether it will survive and perhaps transform. Written in a clear and engaging style, the volume traces the development of economic globalization starting from the first wave of colonialization in the 15th century through the first period of globalization at the end of the 19th century and up to the contemporary period of globalization that started in the 1980s and appears today to be teetering on the brink of collapse. It explores the impacts of globalization on today's world from global supply chains and tax havens to rising economic inequality, climate change and pandemics, and assesses the different impacts on rich and poor countries and on the rich and poor within countries. It then reviews the growing anti globalization sentiment starting from the anti IMF protests that raged through developing countries in the 1980s and 1990s to the emergence of the transnational anti globalization movement of the 2000s to more recent uprisings such as the Arab Spring, The Occupy Movement, the Gilets Jaunes and to the current populist nationalist backlash led by President Trump and embodied in the 2016 Brexit vote. Sensing that globalization has reached a tipping point, the book considers a range of possible scenarios for the future world order, including nationalism, authoritarianism and democratic globalism. Finally, it explores whether globalization can be democratized in a world in which effective and inclusive global

governance is crucial to solving global problems such as tackling climate change controlling global pandemics and upholding universal human rights **Criticizing Global Governance** M. Lederer,P. Muller,2005-11-18 The essays in this collection seek to reflect on global governance and to provide a better critical understanding of the various practices that fall under its rubric The first part challenges the concept of global governance the second part focuses on organizational and institutional aspects and the last part examines the rule systems implemented by global governance practices The vocabulary of global governance has become a serious contender to imagine world order in the post cold war world Using different strategies of critique the contributors argue that global governance denotes a political vocabulary where acts of definition themselves are political moves **IBSS: Economics: 2002 Vol.51** Compiled by the British Library of Political and Economic

Science,2013-05-13 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2003 volumes of the the IBSS Anthropology 2002 Vol 48 December 2003 234x156 Hb 0 415 32634 6 195 00 Economics 2002 Vol 51 December 2003 234x156 Hb 0 415 32635 4 195 00 Political Science 2002 Vol 51 December 2003 234x156 Hb 0 415 32636 2 195 00 Sociology 2002 Vol 52 December 2003 234x156 Hb 0 415 32637 0 195 00

Global politics in the information age Mark J. Lacy,Peter Wilkin,2024-07-30 Global politics in the information age available in paperback for the first time presents a provocative and wide ranging introduction to the notion that information technologies are creating new formations of power control and resistance across the planet The essays ranging from the language used by the Bush administration to shape the war on terror the attempts to control the circulation of informational products the strategies of media management deployed to shape how the war in Iraq during 2003 was presented in the public sphere through to the attempts to brand economic globalisation and strategies of resistance developed by the anti globalisation movement unearth the new transformations that are unfolding in the twenty first century This collection of essays brings together academics working across the social sciences from International Relations Political Economy Sociology and Media Studies to provide the reader with a number of different perspectives on the way that flows of images capital ideologies and informational goods are creating global spaces of control and resistance The book seeks to rethink approaches to global politics that see information society as closing down spaces of resistance while at the same time

exploring the new formations of power that informational society is making possible The book offers clearly explained theoretical insight into the debates that are shaping discussion on global politics and information society with case studies that will be of interest to the student seeking to make sense of the changes that are unfolding *Global Political Parties* Katarina Sehm-Patomaki, Marko Ulvila, 2007-09 Featuring contributions from major figures from Samir Amin to Jan Aart Scholte this book is an analysis of what the globalization of party politics would mean for the nation state global governance and democracy worldwide *Dictionary of Globalization* Andrew Jones, 2006-09-07 Publisher description *Democratising Globalisation* Heikki Patomaki, 2001-08-31 In the 1970s Professor James Tobin proposed a very modest tax on currency transactions to make much speculative movement of funds unprofitable and the world financial system less volatile Heikki Patomaki makes an up to date case for the Tobin tax and explains how to implement it He argues that global financial markets undermine the real economy of production and employment cause de democratization by transferring accountability away from national parliaments and redistribute wealth in favour of the well off The Tobin tax if implemented with other regulatory measures would be emancipatory It would control global finance bolster state autonomy and influence the politics of globalization towards democratic control social responsibility and justice The main obstacle is lack of political will Dr Patomaki argues that a group of countries could initiate the system and develops the idea of a Tobin tax organization TTO which would implement and supervise the process **International Bibliography of Economics**, 2003 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Democratising Globalisation* Heikki Patomaki, 2001-08 Propounded by James Tobin in the 1970s the Tobin tax would have levied a small amount from all currency transactions globally This would have the effect of moderating speculation It didn't take off but the author believes there is a way to make it work **Regulating Globalization** Pierre de Senarclens, Ali Kazancigil, 2007 Offers analyses on global governance This book formulates proposals for achieving a more accountable transparent participatory global governance system together with an institutional architecture for regulating globalization that combines economic efficiency and social equity *Fragile Finance* Anastasia Nesvetailova, 2007-10-17 *Fragile Finance* inquires into the nature of financial crisis in the era of global credit The book suggests that financial fragility today stems from an explosive combination of financial innovation over borrowing and progressive illiquidity of financial structures Drawing on the work of Hyman Minsky the book examines the role played by these three factors in the events that defined the global financial system during the past decade and draws on their implications for the emerging paradigm of a global financial architecture **The Newly Emerging Asian Order and the Korean Peninsula**, 2005 **Exchange and Regulation in European Capital Markets** Markus Lederer, 2003 This book explores how the wild beast of finance can be better understood and controlled Using the framework of exchange and regulation European capital markets are analyzed and it is shown that a common European area of financial

exchange has developed Concerning financial regulation one can see that the EU has become the most dominant rule setter and the regulation established can be interpreted as being of a statutory kind Showing the shortcomings of this process the set up of a more transparent mega regulator to control all financial market segments and financial agents is proposed

Choice ,2001 **International Affairs** ,2002 *Globalization and Economy: Globalizing finance and the new economy*

Paul Warren James,2007 *Globalization and Economy* is the second set which looks at economics broadly conceived including global markets global finance global economic institutions and global labour **Metaphors of Globalization** Markus

Kornprobst,2008-01-15 *Metaphors of Globalization* inquires into the power and politics of metaphors in the making of our globalizing era The approach is multidisciplinary with case studies in global finance global governance literary theory political theory anthropology and sociology By revisiting globalization through the analysis of metaphors this volume sheds new light on usually overlooked dimensions of global politics improves on many outdated conceptualizations and undertakes a critical analysis of existing approaches to the study of globalization **The Role of International Institutions in**

Globalisation John-ren Chen,2003 In an increasingly globalised world it is becoming ever more difficult for nation states to adapt to the international consequences of market failures government failures and global externalities without co operation and co ordination with other countries In the absence of any form of world government the most effective solution to this problem is either to create new international institutions reform existing ones or work within the prevailing institutional framework This book presents a critical analysis of the role of international institutions and their performance in terms of justification effectiveness and efficiency The authors begin by discussing the controversies surrounding the Tobin Tax in the context of global governance They move on to address important global issues where international institutions play a significant role These include trade and FDI in relation to the WTO and the reconciliation of order and justice in the international trading system Further chapters investigate development issues and international institutions most of which were not designed for the specific needs of developing countries They assess whether international institutions can actually help to mitigate the tendency of uneven development in the global economy Finally the focus switches to the analysis and evaluation of one specific institution and its actions namely the Bank for International Settlements BIS This important theoretical and empirical analysis of the problems relating to the creation evolution and role of international institutions will be of interest and value to academics and researchers of international trade international economics international relations and economic development

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will no question ease you to see guide **Democratizing Globalization The Leverage Of The Tobin Tax** as you such as.

Democratizing Globalization The Leverage Of The Tobin Tax Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Democratizing Globalization The Leverage Of The Tobin Tax PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Democratizing Globalization The Leverage Of The Tobin Tax PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Democratizing Globalization The Leverage Of The Tobin Tax free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Democratizing Globalization The Leverage Of The Tobin Tax Books
