Perspectives and Trends in Education and Technology Anabela Mesquita, António Abreu, João Vidal Carvalho, Cleuciliz Santana, Cristina Helena Pinto de Mello, 2023-10-21 This book presents high-quality, peer-reviewed papers from the International Conference in Information Technology Education (ICITED 2023) to be held at the Nilton Lins University, Manaus, Brazil, during June 29-30, 2023. The book covers a specific field of knowledge. This intends to cover not only two fields of knowledge: Education and Technology, but also the interaction among them and the impact result in the job market and organizations. It covers the research and pedagogic component of Education and Information Technologies, but also the connection with Society, addressing the three pillars of higher education. The book addresses the impact of pandemic on education and use of technology in education. Finally, it also encourages companies to present their professional cases, which will be discussed. These can constitute real examples of how companies are overcoming their challenges with the uncertainty of the market.
