This book is for you if you're starting out remote working and you need a little support to adapt to this new way of working. You're already remote working and want to take it up a notch, get organized, and be more efficient. You think you could get a little more out of your day-to-day work. You really want to make the most of the flexibility your telecommute offers. This productivity guide to being more efficient while teleworking goes much further than just giving you generic magical formulas that the best leaders supposedly use. Here you'll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs. Don't wait to improve your personal productivity while working remotely online. You'll learn skills that will help you in both your professional and personal development. The remote work revolution is here, and succeeding from anywhere is now possible. Many more jobs can be done remotely than we think. Most office work could be done from home, but there are other things you'd never think of: customer service, phone lines, psychotherapy, life coaching, yoga teaching. Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities. With remote work, office not required, and telecommuting will bring many advantages to us and the environment. Let's work remotely for a better world. The pandemic has forced us into remote working with no clue how to do it without the means, without the preparation needed. The good thing is that it has given us the great opportunity to work from home, which might otherwise have taken years or even decades to arrive. Remote work is the new normal. There is going to be more and more remote employment. It's up to you to adapt to it and to take advantage of all the benefits it holds for your career. Carmen Corral has been remote working for more than eight years, both for companies and for herself. After more than ten years working in Human Resources and Personnel Development, stuck in an office from Monday to Friday 9 to 5, she decided to do something that gave her more flexibility in when and where she worked. Now she works remotely while traveling the world.

Work From Home Guide Antonio Diaz, 2020-08-17

Working online or remotely has become a necessity for many this year. However, this is just the start of a larger trend. It is predicted that by 2027, the majority of the US workforce will be working remotely online. The office work lifestyle is familiar to most people: get dressed in your company clothes, commute to work, work in a room with a few other people, take scheduled breaks, et cetera. But remote workers at online jobs don't encounter most of those situations. They don't need to get dressed in company attire or commute to work. But it can be difficult for online workers to navigate working away from the office. Best practices are not as well defined because online work, at least in its current form, is still relatively new, so it can be difficult to know how you should act when working from home. There is no single formula for how to become an efficient online worker. Everyone will work at different times and have different tips on how to make the most of their time. Indeed, one of the major benefits of remote work is the flexibility it affords. Working from home means that you can adjust your schedule to suit your commitments and your timetable as it is in your hands now. However, this means that you need to learn what works best for you when managing your priorities and time, and everyone is slightly different. That said, there are a few common practices you can expect to use as a remote worker. In this guide, we've compiled the best practices for online remote workers, ranging from how to participate in meetings to how you can find an online job as a remote worker.
