Centering Prayer Basil Pennington, 2010-12-15 The practice of prayer and meditation in modern Western Christianity is rooted in the Eastern tradition of early Church prayer as well as the wisdom of early Church fathers In *Centering Prayer* M Basil Pennington the author of the highly acclaimed *Daily We Touch Him* returns to these roots offering contemporary Christians a new approach to ancient prayer forms Pennington combines the best of the Eastern spiritual exercises such as the Jesus Prayer with a spirituality for today's world Addressing the obstacles that discourage people from praying well he explains how to relax for prayer how to listen to and be directed by the Other and how to handle the pain and distractions that can stifle attempts to communicate with God *Centering Prayer* has sold more than a quarter million copies since it was first published in 1982 In this eminently practical book simple inspiring instructions will help readers find the comfort and the guidance they seek through prayer **Divine and Healing Path: Old Catholic Catechism** Elijah, 2009-11-29 OLD CATHOLIC CATECHISM Many books that introduce a religious sect either get you so pumped up that you are in danger of exploding Others are so dry that you seriously consider imploding before you get to the third chapter This isn't like that Expect the story of a man from California who took a journey toward God He tells you about his journey warns you about some of the pitfalls he found and invites you to join him on a spiritual quest In a nutshell Old Catholics are something like Roman Catholics but without the Inquisition They have all the sacraments Yes there are women priests and bishops Yes there are openly gay priests and bishops Some members are pro life while others are pro choice Don't let anybody pull the pallium over your eyes because that is the way ancient Christianity used to be everywhere You are in store for a wonder filled spiritual journey **Finding Grace at the Center (3rd Edition)** M.
