Dancing Ledge:

Dancing Ledge Derek Jarman, 1984 *Luminous presence* Alexandra Parsons, 2021-11-02 *Luminous presence* Derek Jarman's life writing is the first book to analyse the prolific writing of queer icon Derek Jarman. Although he is well known for his avant garde filmmaking his garden and his AIDS activism he is also the author of over a dozen books many of which are autobiographical. Much of Jarman's exploration of post war queer identity and imaginative response to HIV AIDS can be found in his books such as the lyrical AIDS diaries *Modern Nature* and *Smiling in Slow Motion*. This book fully explores for the first time the remarkable range and depth of Jarman's writing. Spanning his career Alexandra Parsons argues that Jarman's self reflexive response to the HIV AIDS crisis was critical in changing the cultural terms of queer representation from the 1980s onwards. *Luminous presence* is of great interest to students scholars and readers of queer histories in literature art and film.

Contemporary Artists Working Outside the City Sarah Lowndes, 2018-04-17 This book reflects on the motivations of creative practitioners who have moved out of cities from the mid 1960s onwards to establish creative homesteads. The book focuses on desert exile painter Agnes Martin radical filmmaker and gardener Derek Jarman and iconoclastic conceptual artist Chris Burden detailing their connections to the cities they had left behind New York London Los Angeles. Sarah Lowndes also examines how the rise of digital technologies has made it more possible for artists to live and work outside the major art centers especially given the rising cost of living in London Berlin and New York focusing on three peripheral creative centers the seaside town of Hastings England the mid-sized metro of Leipzig Germany and post industrial Detroit USA.
