**The Danger Zone of Europe** Henry Charles Woods, 1911      **The Children's Buyer's Guide**, 2006      **Romans and Barbarians** Derek Williams, 2015-05-05 A vivid picture of the clash between ancient civilization and prehistoric cultures Kirkus Reviews From 27 B C to A D 117 the Roman dream of boundless empire began to falter The very size of their conquests made them hard to manage and the caesars also had to accept the scale and intractability of the problems posed by the barbarians The period covered by the book is one of great change and the opening of a new era For the once mighty Romans this was a time when power was passing for the barbarians it was the late Iron Age a time of transition when internal stresses and fear of Roman aggression were creating dangerous shifts in the tribal equilibrium Derek Williams's *Romans and Barbarians* sees the clash of cultures from the standpoint of four individuals whose curious fate it was to venture or be sent beyond the outer watchtowers of the Roman empire They bore witness from the grassy steppe of Europe's southeastern corner from across the grimy Carpathians towering beyond the Danube from the fearsome German forest and from beyond the Firth of Forth in the wilderness of northernmost Britain Each portrait reveals different aspects of the Sarmatian German and Celtic peoples facing the empire's European frontiers Together these four viewpoints provide a rich portrait of the classical and Iron Age worlds mutually uncomprehending yet strangely unable to do without each other The outcome is a skein of violence tragedy misadventure and courage offering a preview of the cruel but creative forces from

whose fusion modern Europe was eventually to emerge

**The Saturday Review of Politics, Literature, Science and Art** ,1906      *Warlords of Republican Rome* Dr Nic Fields,2008-10-16 The war between Caesar and Pompey was one of the defining moments in Roman history The clash between these great generals gripped the attention of their contemporaries and it has fascinated historians ever since These powerful men were among the dominant personalities of their age and their struggle for supremacy divided Rome In this original and perceptive study Nic Fields explores the complex often brutal world of Roman politics and the lethal rivalry of Caesar and Pompey that grew out of it He reconsiders them as individuals and politicians and above all as soldiers His highly readable account of this contest for power gives a vivid insight into the rise and fall of two of the greatest warlords of the ancient world

No Go World Ruben Andersson,2022-03 From the Afghan Pakistan borderlands to the Sahara images of danger depict a new world disorder on the global margins With vivid detail Ruben Andersson traverses this terrain to provide a startling new understanding of what is happening in remote danger zones Andersson takes aim at how Western states and international organizations conduct military aid and border interventions in a dangerously myopic fashion further disconnecting the world s rich and poor Risk obsessed powers are helping to remap the world into zones of insecurity and danger resulting in a vision of chaos crashing into fortified borders Andersson contends that we must reconnect and snap out of this dangerous spiral which affects us no matter where we are Only by developing a new cartography of hope can we move beyond the political geography of fear that haunts us From back cover
