DANIELA BRAHM., 2001 *Moriz Rosenthal in Word and Music* Mark Mitchell, Allan Evans, 2005-11-03 As a pianist Rosenthal was unparalleled his legato touch came from Chopin through his pupil Mikuli his awareness of composition was developed by Liszt his Brahms interpretation shaped by the composer himself and his ingeniously crafted piano paraphrases memorialized his friendship with Johann Strauss II Yet Rosenthal's pianistic

abilities were married to a rare intellectual erudition a knowledge of literature history philology science philosophy and society that few pianists have ever matched let alone surpassed In these striking pieces we see every facet of Rosenthal memoirist social critic pedagogue and virtuoso He could write with gravity and pathos yet his famous and sometimes devastating wit is legendary This volume combines Rosenthal s writings with critical assessments of the pianist by such contemporaries as Eduard Hanslick Edward Prime Stevenson and Hugo Wolf It is rounded out with an illuminating preface by Charles Rosen perhaps Rosenthal s most renowned pupil a discography and concertography and a CD featuring never before released Rosenthal recordings

The Toscanini Mystique Kenneth A. Christensen, 2014-10-31 Kenneth A Christensen's THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagner's descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western world's supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers' inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallo's Pagliacci and three by Puccini including La Bohème La Fanciulla del West and Turandot Toscanini served as musical director the
