Guide

To Learn Danish Shannan Rodar,2021-06-16 Most people say the best way to learn a language is through immersion but in a country like Denmark immersion can be complicated if your first language is English Because almost everyone in the major cities is at least conversant in English it s easy to give up on Danish pretty quickly The remedy it would seem is integrate some of these immersion tricks into your daily routine The information provided in the booklet is also a useful supplement to exercise based language learning so I recommend using it in conjunction with one of the interactive language learning websites that are freely available these days **Danish** Elias Bredsdorff,1973 **Danish Grammar for Englishmen.**
