Damn The Libation:

Damn the Libation Judy O'Connor Smith, 2004-06-01 *Damn the Libation* tells the true story of one woman's incredible journey through life including her courageous triumph over alcohol abuse and physical violence Told with honesty and humor the story reminds us that there is always hope no matter how difficult life's situations may be Judy wants her story to encourage people to seek help before abusive situations spiral out of control It is a rags to riches and riches to rags tale that is indeed inspirational So come along as Judy conquers alcoholism and discovers a wonderful new world of sobriety

The Specter and the Speculative Mae G. Henderson, Jeanne Scheper, Gene Melton, 2024 *The Specter and the Speculative* examines how historical subjects and texts within the African Diaspora are re-fashioned re-animated and re-articulated as well as parodied nostalgized and defamiliarized The essays by emergent and established scholars explore how living archives circulate and haunt the popular imagination engendering afterlives and liberating prior narratives from their original context

Black is the Fashion for Dying Jonathan Latimer, 2013-04-14 Perhaps it really started when scriptwriter Richard Blake finishing last minute revisions in the early hours of the morning found the naked blonde on his driveway Nobody ever saw her again but she turned out to be a vital clue The movie's fading star is Caresse Garnet a woman so universally disliked that you could throw a stone in Hollywood and find somebody who hates her the producer who knows she's box office poison but can't fire her the ingénue whose scenes are being cut to ribbons on her instructions the director with a wife and a love nest All these ingredients add up to a story of a murder that couldn't happen but does

Laowai for Sale Kurt M. DiClementi, 2015-04-17 My recently completed novel entitled *Laowai for Sale* was written in the genre of realistic fiction first person omniscient The plot of the story is the moral financial and spiritual bankruptcy of the American people as represented by the story's four main characters in China and the president of the United States in America While the four main characters in China represent the hope that America can prevail against adversity and reclaim its legacy as the greatest nation on earth the character of the president represents an America that is willing to mortgage its soul for sensual satisfaction with the risk of losing its identity and position on the world stage These ideas are conveyed through satire and comedy in the character dialogue The story's protagonist John Winston is an Asperger's syndrome savant with a photographic memory who attained material success through his musical ability and encyclopedic capacity for knowledge on all things regarding American pop music Unfortunately he lost everything as did many others in the economic times that are characteristic of today's US economy Because of the limited social skills associated with his disability Winston descends into a downward spiral that resulted in his isolation and drinking Then he is whisked away to China with three other main characters in a government program to stem the mounting crisis of an unemployment rate that has exceeded 50 percent This crisis seriously threatens the US president's chances for a second term in office so his chief of staff devises a plan using the CIA to initiate a massive wholesale exportation of America's unemployed labor force to China as English teachers in order to rapidly change the
