Dancing With The One You Love Cindy Easley,2010-08-01 Let s get practical how do real women live out God s plan in
 21st century marriages Too often submission is represented as repressive servanthood rather than a voluntary desire to
 empower a husband s leadership And as with many things in our culture this view of submission has found its way into our
 churches and marriages In reality women desperately want to experience the graceful waltz where both the husband and
 wife are in harmony each dancing their God given role But all too often there are no realistic Godly models from which to
 draw Author and speaker Cindy Easley surveyed ordinary women and asked How does this work for you Specifically how do
 women live out submission in her particular situation These are their stories from caring for a chronically ill husband to
 living with a nonbeliever Each example will help married or engaged women gain appreciation for God s will for marriage
 and learn to dance with the one they love
