Dancers World An Introduction For Parents And Stu:

A DANCER'S WORLD. ,1979 **Dance Studies: The Basics** Jo Butterworth,2011-02-27 A concise introduction to the study of dance ranging from the practical aspects such as technique and choreography to more theoretical considerations such as aesthetic appreciation and the place of dance in different cultures This book answers questions such as Exactly how do we define dance What kinds of people dance and what kind of training is necessary How are dances made What do we know about dance history Featuring a glossary chronology of dance history and list of useful websites this book is the ideal starting point for anyone interested in the study of dance Teachers Guides to Television ,1978 **Handbook of Research on Assessment Practices and Pedagogical Models for Immigrant Students** Keengwe, Jared,Onchwari, Grace,2019-06-14 Standardized tests have been selected as a key assessment factor in expanding the academic achievement of the national student population However these tests position immigrant students at the risk of academic failure leading education experts to search for new strategies and teaching models The Handbook of Research on Assessment Practices and Pedagogical Models for Immigrant Students is a critical research publication that focuses on research based pedagogical practices for teaching immigrant students Edited by a prominent IGI Global editor this book examines the latest professional development models and assessment practices of English learners ELs Covering essential topics such as second language acquisition SLA classroom management teacher education refugee resettlement programs and more this publication is a valuable resource for academicians professionals researchers administrators faculty and classroom teachers as the social and academic needs of English language learners continue to present a challenge for many schools and teachers **Ballet News** ,1981 *Dance On!* Stephanie Burridge,Charlotte Svendler Nielsen,2023-05-12 Burridge and Svendler Nielsen bring together many perspectives from around the world on dancing experiences through life of senior artists and educators whether as professionals working with community dance groups in education or for recreation and well being Broadening our understanding of the burgeoning sector of maturing dances and dancers this book incorporates a range of theoretical approaches with an emphasis on cultural and experiential dimensions It includes examples of how artists community practitioners teachers policy makers and academics work to better understand promote and create new ways of thinking and working in the field of dance performance education and well being Each section of the book includes a mixture of chapters based on research and case narratives focusing on practitioners experience as well as conversations between world renowned mature dance artists and choreographers It features an eclectic mix of lived experiences wisdom deep knowledge and reflection The book is a valuable resource for students of performing arts pedagogy choreography community dance practice social and cultural studies aesthetics interdisciplinary arts dance therapy and more Artists working across generations and in communities can also find useful inspiration for their continued dance practice **Stories We Dance / Stories We Tell** Karen Schupp,Sherrie Barr,2025-07-18 Higher education continually mediates long standing traditions

while seeking new ways of thinking creating a quiet tension as institutions respond to shifting and multiple socio cultural values Dance programs not immune to these currents must consider intersecting obligations to build a more equitable curriculum meet the needs of an increasingly diverse population and prepare students for a wider array of dance based careers In view of their critical role in stewarding the next generation of dance artists educators scholars leaders and fostering change in higher education faculty must give more attention to the experiences of those committed to dance in higher education This collection articulates and considers these lived experiences revealing the inner workings of dance in higher education Autoethnographic essays varying in style and scope illuminate the pressures encountered across one s career trajectory By unearthing and contextualizing hidden challenges expectations and opportunities the authors speak to possibilities for how proactive change in dance education can occur

Dance and Gender Wendy Oliver,Doug

Risner,2018-06-11 Driven by exacting methods and hard data this volume reveals gender dynamics within the dance world in the twenty first century It provides concrete evidence about how gender impacts the daily lives of dancers choreographers directors educators and students through surveys interviews analyses of data from institutional sources and action research studies Dancers dance artists and dance scholars from the United States Australia and Canada discuss equity in three areas concert dance the studio and higher education The chapters provide evidence of bias stereotyping and other behaviors that are often invisible to those involved as well as to audiences The contributors answer incisive questions about the role of gender in various aspects of the field including physical expression and body image classroom experiences and pedagogy and performance and funding opportunities The findings reveal how inequitable practices combined with societal pressures can create environments that hinder health happiness and success At the same time they highlight the individuals working to eliminate discrimination and open up new possibilities for expression and achievement in studios choreography performance venues and institutions of higher education The dance community can strive to eliminate discrimination but first it must understand the status quo for gender in the dance world Wendy Oliver professor of dance at Providence College is coeditor of Jazz Dance A History of the Roots and Branches Doug Risner professor of dance at Wayne State University is coeditor of Hybrid Lives of Teaching Artists in Dance and Theatre Arts A Critical Reader Contributors Gareth Belling Karen Bond Carolyn Hebert Eliza Larson Pamela S Musil Wendy Oliver Katherine Polasek Doug Risner Emily Roper Karen Schupp Jan Van Dyke

Dancing on a Shifting Carpet Leoni Degenhardt,Patrick Duigan,P. A. Duignan,2010 The role of educational leaders has changed radically as countries attempt to transform their education systems to prepare young people to function in today s world of rapid technological and social change economic globalization and increased migration and mobility This book argues that in order to achieve this transformation there is an urgent need for new paradigms of schooling It offers practical advice on how to bring about such breakthrough change from within schools Dancing on a Shifting Carpet documents how schools can reinvent themselves to meet the needs of contemporary and future students The book describes

and explains specific models that can be used It recommends a leadership model that schools could adopt to facilitate their reinvention and it provides specific advice on how to develop and sustain reinvented cultures in their schools It also suggests a new methodology for insider researchers in positions of power within their own organization **Dancing Times** ,2000
