Dancing with the King at Conyers Ali MacDonald, 2004 I've got CFIDS she explained Epstein Barr And I really hate it I've got HIV AIDS he said softly And I really hate it The two medical syndromes looked at each other So starts out this beautifully written novel about Grace McHeath whose life is turned upside down when famous fashion designer Henry Honri Smith comes to the lake on her property to die Faced with the task of unburdening himself with his prior life he gratefully accepts Grace's terse invitation to stay in her studio until his disease wins its battle Coming out of her own personal shell of isolation Grace weaves a tale to help ease the pain of his suffering The guided meditation takes Grace Henry and Henry's faithful nurse Myrtle on a road trip to Conyers but not before taking a detour to Graceland where Henry dances to Jailhouse Rock As she tells her story with detailed meticulousness Grace discovers an awakening within her soul and she uncovers her own limiting truths

The Rebellious Life of Mrs. Rosa Parks Jeanne Theoharis, 2015-11-24 Jeanne's book not only inspired the documentary but has been a catalyst in changing our national understanding of Rosa Parks Highly recommend Soledad O'Brien executive producer of the Peabody Award winning documentary *The Rebellious Life of Mrs Rosa Parks* The NAACP Image Award winning book that has helped redefine the

public understanding of the civil rights icon revealing her to be a radical and committed activist The *Rebellious Life of Mrs Rosa Parks* is the definitive political biography of Parks examining her six decades of activism and challenging passive perceptions of her contributions in the civil rights movement Including a new introduction titled *Nine Ways to Be Like Rosa Parks in the Age of Black Lives Matter* public historian Jeanne Theoharis provides vital insight into her life and activism She not only reveals Parks's personal financial and political struggles but also highlights the danger of the quiet seamstress narrative especially in an age where civil rights activism can be weaponized against those working for change Presenting a powerful corrective to the popular iconography of Rosa Parks Theoharis excavates her political philosophy and six decades of activism By detailing the political depth of a national heroine who dedicated her life to fighting inequality Theoharis resurrects a civil rights movement radical who has been hidden in plain sight far too long further showing how Parks and others helped pave the way for future activist organizations
