JOHN FOWLES

Daniel Martin Paperback By Fowles John

**R.R. Bowker Company. Department of
Bibliography**

Daniel Martin Paperback By Fowles John:

Daniel Martin John Fowles, 2012-12-01 A masterpiece of symbolically charged realism by the only writer in English who has the power range knowledge and wisdom of a Tolstoy or James John Gardner Saturday Review The eponymous hero of John Fowles's largest and richest novel is an English playwright turned Hollywood screenwriter who has begun to question his own values Summoned home to England to visit an ailing friend Daniel Martin finds himself back in the company of people who once knew him well forced to confront his buried past and propelled toward a journey of self discovery through which he ultimately creates for himself a more satisfying existence A brilliantly imagined novel infused with a profound understanding of human nature Daniel Martin is John Fowles at the height of his literary powers We're never unaware that Mr Fowles is up to something that is extremely important to him and this alone is a source of considerable tension and excitement an old fashioned novel in the sense that one can enter and live in it Christopher Lehmann Haupt The New York Times Absorbing intellectually challenging A startlingly provocative novel Like Henry James before him Fowles has created rarified creatures free enough to take on the toughest question that life offers How to live Paul Gray Time **John Fowles's**

Fiction and the Poetics of Postmodernism Mahmoud Salami, 1992 Salami presents for instance a critique of the self-conscious narrative of the diary form in *The Collector* the intertextual relations of the multiplicity of voices the problems of subjectivity the reader's position the politics of seduction ideology and history in *The Magus* and *The French Lieutenant's Woman* The book also analyzes the ways in which Fowles uses and abuses the short story genre in which enigmas remain enigmatic and the author disappears to leave the characters free to construct their own texts Salami centers for example on *A Maggot* which embodies the postmodernist technique of dialogical narrative the problem of narrativization of history and the explicitly political critique of both past and present in terms of social and religious dissent These political questions are also echoed in Fowles's nonfictional book *The Aristos* in which he strongly rejects the totalization of narratives and the materialization of society Daniel Martin John Fowles, 1996 Passion for Place Book II Anna-Teresa

Tymieniecka, 2013-06-29 Among the multiple subliminal passions that inspire our life in innumerable ways literature shows us one that seems to play a particularly penetrating role in human concerns This passion which Tymieniecka calls an esoteric passion finds its projection and crystallization in space it is the esoteric passion for space This subliminal passion investigated through literature allows the philosopher to reach beneath the fallacious separations of nature humanness and the cultural world restoring the wholeness of experience that has become lost in the artificial one-sidedness of contemporary approaches confined to language as they are The elemental passion for place is investigated here in the literary fruits of creative imagination Unravelling from the very depths of the primogenital onto poetic unfolding of life the passion for place is revealed as projecting into the flux of life it is a station of life significance This collection presents papers from two conferences of the International Society of Phenomenology and Literature held in Cambridge MA in 1993 4

Conversations with John Gardner John Gardner,1990 This collection selected from more than 140 interviews Gardner granted presents a wealth of information on the life and art of one of America s foremost novelists These interviews show him as a novelist a charismatic teacher of creative writing and a widely published scholar who has vast knowledge and who generated much literary information in his lectures and interviews After the publication of such popular and critical successes as *Grendel* 1971 and *The Sunlight Dialogues* 1972 this philosophical writer with an enviable talent for storytelling was regarded as a major contemporary writer After Gardner had demonstrated that he was one of America s most prolific versatile and imaginative authors he became one of its most controversial when he attacked the literary establishment in his book *On Moral Fiction* and in his interviews These candid conversations reveal a man of contrasts and contradictions a writer who as one of his interviewers remarks brought to everything he did a passion that at times bordered on madness

Reader's Guide to Literature in English Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *Women and Men in John Fowles's Fiction* Joanne
